TITLE:	Alcohol Management	REVISION DATE:	January 25, 2021
SECTION:	Community Services	PAGE	1 OF 2
DEPARTMENT:	Community Service Areas		

POLICY STATEMENT

To establish the responsibilities and the procedure for user groups to occasionally apply for a liquor license for private functions at City Facilities, and adjacent grounds, within the Community Services areas.

Alcoholic beverages are prohibited in City Facilities unless specific approval has been given by Community Services Director and a Special Event Liquor Licence for private functions has been obtained from Alberta Gaming and Liquor Commission (AGLC).

REASON FOR POLICY

The City of Grande Prairie is committed to creating and maintaining a safe and enjoyable atmosphere during functions at City Facilities. The related procedure is provided to ensure the responsible sale and consumption of alcohol at approved private functions. The procedure will form the basis for practices that will guide the Facility Managers in its provision of effective alcohol management. This policy and procedure will apply to all users of City Facilities for patrons, employees, tenants, contractors and user groups.

VIOLATION OF POLICY

Violation of this policy and procedure will result in denial of the licensee to obtain a Special Event Liquor Licence for a City Facility again. Instances of blatant infractions could result in suspension, loss of services or use of a City Facility.

Licensees in violation of AGLC rules and regulations will be reported to the AGLC and/or RCMP and may face fines or prosecution.
