

YOUTH CAREER DISCOVERY EXPO

CALLING ALL EDUCATORS IN GRANDE PRAIRIE & THE SURROUNDING AREA!

Join us on March 21, 2024 for the ultimate career and education exploration event designed for teens and young adults!

The Bonnetts Energy Centre will transform into a vibrant hub of career and education exploration, specifically designed to inspire youth in the Grande Prairie region and beyond.

As educators, you play a pivotal role in shaping the futures of our young adults. Here's an opportunity to ignite your students' passion and curiosity about their future careers!

- Bring your secondary students to Grande Prairie's largest career and education event!
- Discover a plethora of in-demand careers in our area, with real-world relevance
- Explore education paths and opportunities that align with students' aspirations
- Engage with interactive exhibits – from virtual job simulations to hands-on activities
- Connect with employers looking to hire for youth positions and summer jobs

WHY BRING YOUR CLASS?

- Aligns with curriculum goals of career and life planning.
- Offers a real-world context to classroom theory.
- Facilitates networking opportunities with industry professionals and post-secondary.
- Increases awareness on the range of youth education, employment, and support services.
- Exhibitors represent a wide range of fields to create an engaging, interactive experience.
- Students can expect demonstrations, mobile training units, virtual reality simulations, and tools of the trade.
