1. Policy Statement

The City of Grande Prairie (City) will incentivize accessibility improvements for local Commercial buildings, support access to services for all residents and encourage the health, vitality and inclusiveness of our community.

2. Reason For Policy

To support businesses and property owners through financial incentives for the removal of physical, architectural or technological barriers that prevent persons with physical, cognitive or sensory disabilities from accessing or using public Commercial spaces on an equal basis with others.

3. Definitions

"Accessibility Improvement Project" means renovations or improvements to private property that facilitate the removal of physical, architectural or technological barriers that prevent persons with physical, cognitive or sensory disabilities from accessing or using public Commercial spaces on an equal basis with others. Eligible Accessibility Improvement Projects include improvements to the interior or exterior of the building, including transitions from public to private land, from parking areas to the primary building entrance and ensuring unobstructed access to services for all visitors, patrons and employees.

"Barrier" means a physical, architectural or technological obstacle that makes it difficult for persons with disabilities to access or use public spaces on an equal basis with others.

"Barrier-Free Grant Guidelines and Procedure" means the guidelines and procedures approved by the City Manager which are used to direct the intended effect of this Policy.

"City" means the municipal corporation of The City of Grande Prairie, having authority under the Municipal Government Act RSA 2000 C. M-26 and other applicable legislation. Where context requires City also means the area included within the municipal boundaries of the City.
