

Description

The Recreation Access Program is a program to help ensure all residents have access to leisure, recreation and fitness opportunities. We value providing socially inclusive programs to each individual and family in Grande Prairie. Providing this program to eligible participants removes financial barriers while enhancing community and family connectedness.

The program offers a 75% subsidy on Eastlink Centre memberships and punch passes to qualifying applicants. This enables participants to access the facilities for only 25% of the regular admission price.

The Transit Access Program helps to ensure all residents of Grande Prairie have access to public transit and can stay connected to their community. It offers a 50% subsidy on the monthly Grande Prairie Transit SUPERPASS to qualifying applicants
