Abandoned Well(s) are Present Within the Proposed Subdivision

I, _____, have reviewed information provided by the ERCB as set out in ERCB Directive 079, Surface Development in Proximity to Abandoned Wells, and can advise that the licensee(s) responsible for all abandoned wells within the proposed subdivision has been contacted in order to have the Abandoned Well Locating and Testing Protocol completed in accordance with ERCB Directive 079. To prevent damage to the wells, a temporary identification marker will be placed on any abandoned well prior to construction, according to the confirmed well location(s) on site. The site of proposed subdivision contains the following abandoned well(s):

ERCB Well License #	Licensee Name	Licensed Surface Location	Contact Personnel Name	Phone Number
