SECTION 1: DEFINITIONS AND OPERATIVE CLAUSES

1. REPEAL OF PREVIOUS LAND USE BYLAW

Bylaw #1660 and all amendments thereto are hereby repealed.

2. PURPOSE

The purpose of this Bylaw is to regulate and control the use and development of land and buildings within the County of Grande Prairie.

3. TITLE

This bylaw may be cited as the "County of Grande Prairie No. 1 Land Use Bylaw".

4. DATE OF COMMENCEMENT

- (a) This Bylaw comes into force and effect upon the date it receives third and final reading from Council.
- (b) Schedules "A" (Bylaw Forms) and "B" (District Maps) are deemed to be part of this Bylaw.
- (c) Council may, by resolution, establish agreements, forms and the procedure to be followed relating to any matter covered by this Bylaw including the specifications of any fees to be paid.

5. CERTAIN WORDS

In this Bylaw words in the present tense include future; words in the singular number include the plural, unless specifically prohibited elsewhere in the bylaw; words in the plural include the singular number; and the word "used" includes arranged, designated or intended to be used and the word "shall" is mandatory and shall not be permissive.

6. UNITS OF MEASUREMENTS

All measurements shall be metric. The Imperial standard measurement provided in the Bylaw is approximate and is indicated for convenience purposes only. In the event of any dispute between metric and imperial measurements, the metric measurement will be used.

7. DEFINITIONS

- (1) “ABATTOIR” means the use of land or buildings as a facility for the slaughtering of animals and the processing of meat products.
- (2) “ACCESSORY” when used to describe a use, building or structure, means a use, building or structure that is incidental, subordinate and exclusively devoted to the principal use or building and located on the same site but does not include a farm building or a garage. It is not a “DWELLING UNIT” unless specifically identified as such in the list of **Permitted** or **Discretionary** uses for the respective land use district.
- (3) “ACT” means the Municipal Government Act, 1994, and amendments thereto and its successors.
- (4) “ADJACENT” means land that is contiguous to the lot that is the subject of an application for subdivision, re-designation or development and includes land or a portion of land that would be contiguous if not for a public road, railway, reserve land, utility right-of-way, river or stream.
- (5) “AGGREGATE FACILITY” means any pit or excavation made for the purpose of searching for, or the removal of any soil, earth, clay, marl, sand, gravel or rock for commercial purposes but shall not include an excavation incidental to the erection of a building or structure for which a building permit has been granted by the County (or its assigns), or an excavation incidental to the construction of any public works. Also see “RESOURCE EXTRACTION OPERATION”, “AGGREGATE STOCKPILING”, and “AGGREGATE STORAGE AREA”.
- (6) “AGGREGATE FACILITY, TEMPORARY” means any temporary pit, borrow pit, or excavation opened and used solely for the purpose of a particular project or contract of road construction and not located on the road right-of-way. It does not include a “Resource Extraction Operation”.
- (7) “AGGREGATE STOCKPILING” means the use of land for the storage of processed aggregates or other raw materials for future sale.
- (8) “AGGREGATE STOCKPILING, TEMPORARY” means the temporary use of land for the storage of processed aggregates or other raw materials for a particular project or contract of road construction.
- (9) “AGGREGATE STORAGE AREA” means the use of land for the temporary storage of aggregates for sale or use in the production of cement or asphalt.

- (10) “AGRICULTURAL INDUSTRY” means the use of land and buildings for a non-agricultural pursuit that is intended to provide off farm income for the farming family. The use is incidental or subordinate to the principal use of the land for agricultural purposes. Agricultural industries are larger than Home Occupations, Agricultural and may involve the employment of non-family members in the business to a maximum of 8 employees. Also see “AGRICULTURAL PROCESSING” for more than 2 employees.
- (11) “AGRICULTURAL MACHINERY/EQUIPMENT SALES AND SERVICE” means the selling and service of agricultural machinery and equipment such as farm implements and supplies, and may include sales, repairs, storage, rentals, leasing, and service of such equipment, as well as offices, showrooms, and sales rooms. This includes “Dairy Industry Equipment”, “Farmyard Maintenance Equipment”, “Farm Machinery or Implements Sales and Service”, “Farm Implement Dealerships”, “Grain Bins Sales and Storage”, Granaries Sales, Storage and Assembly”, and “Irrigation Equipment Sales and Storage”.
- (12) “AGRICULTURAL OPERATION(S)” means an agricultural activity conducted on agricultural land for gain or reward or in the hope or expectation of gain or reward, and includes:
- (a) the cultivation of land
 - (b) the raising of livestock (but excluding ‘Confined Feeding Operations’), including game production animals with the meaning of the Livestock Industry Diversification Act and poultry,
 - (c) the raising of fur bearing animals, pheasants and fish,
 - (d) the production of agricultural field crops,
 - (e) the production of fruit, vegetables, sod, trees, shrubs and other specialty horticultural crops,
 - (f) the production of milk and eggs,
 - (g) the production of honey,
 - (h) the operation of agricultural machinery and equipment including irrigation pumps and the application of fertilizers, manure, insecticides, pesticides, fungicides and herbicides including application by ground and aerial spraying for agricultural purposes. This use is not a ‘Confined Feeding Operation’ but may include those small livestock operations that are not subject to Provincial approval.
- (13) “AGRICULTURAL PROCESSING” means a facility, employing 3 or more people where agricultural produce – meats, grains, legumes, poultry, swine, honey, etc. – is collected, sorted, washed, cleaned, slaughtered, dusted, waxed, cooked, cured, smoked, or otherwise prepared or processed into finished or semi finished products and from which such produce is shipped to a wholesale or retail outlet or for further processing. This use includes “SEED CLEANING PLANT”.
- (14) “AGRICULTURAL PURSUIT, MAJOR” means a use in association with a Country Residential District that consists of no more 20 animal units and may be less than 20 animal

units subject to the area of the lot where this use is proposed. Such use may include a pole shed, barn or other similar buildings or structures, provided that the total floor area of all such buildings does not exceed 1% of the total lot area. This use is intended only for a Country Residential (CR-5) District and is not needed in the Agricultural District.

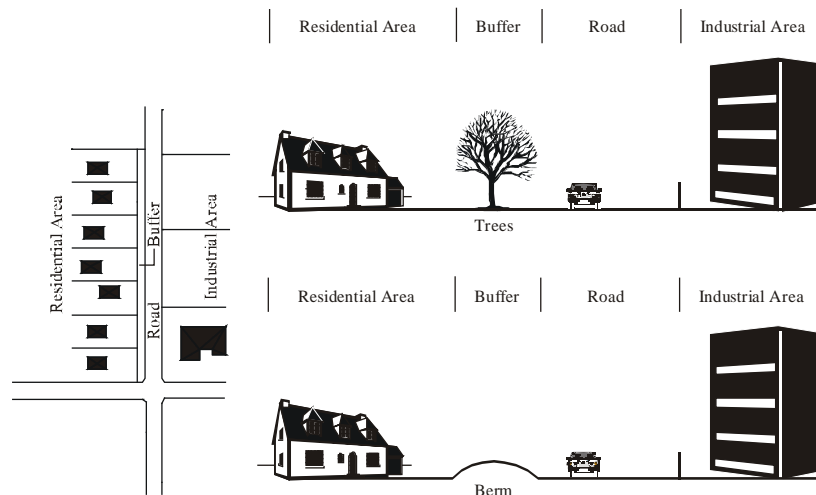

- (15) “AGRICULTURAL PURSUIT, MINOR” means a use in association with a Country Residential District that consists of no more than one horse and foal under 6 months of age per acre or part thereof, to a maximum of three horses. Such use may include a pole shed, barn or other similar buildings or structures, provided that the total floor area of all such buildings does not exceed 90 M².
- (16) “AGRICULTURAL SERVICE AND SUPPLY ESTABLISHMENT” means premises used for the supply of goods, materials or services that support agricultural uses, including the sale and storage of seed, feed, fertilizer and chemical products and the rental, sale, repair or service of agricultural equipment or implements or any combination of the foregoing.
- (17) “AGRICULTURAL SUPPLY DEPOT” means a facility that specializes in the bulk storage of agricultural products and farm supplies, but does not include the sale or storage of solid and liquid fertilizers.
- (18) “AIRPORT” means:
 - (a) any area of land or water, including the frozen surfaces thereof, or other supporting surface used or intended to be used either in whole or in part for the arrival and departure and servicing of aircraft, including helicopter;
 - (b) includes any building, installation or equipment in connection therewith, operated by the Department of National Defense or for which an airport license has been issued by Transport Canada.
- (19) “AISLE” (see “PARKING AISLE”).
- (20) “ANHYDROUS AMMONIA STORAGE” means a storage facility for liquid anhydrous ammonia.
- (21) “ANIMAL HUSBANDRY PRODUCTS (see PHARMACEUTICAL AND MEDICAL PRODUCTS INDUSTRY”).
- (22) “ANIMAL SERVICE FACILITY” (see “VETERINARY CLINIC”).
- (23) “APARTMENT BUILDING” means a building with three or more dwelling units and which share a common entrance, and which does not conform to the definition of any other residential use.

- (24) “APPLIANCE REPAIR SHOP” (see “EQUIPMENT RENTAL/REPAIR”).
- (25) “APPROVING AUTHORITY” (see “DEVELOPMENT AUTHORITY” and “SUBDIVISION AUTHORITY”).
- (26) “ASPHALT PLANT, PORTABLE” means a temporary asphalt processing facility established for a Provincial or Municipal road project.
- (27) “ASPHALT PROCESSING AND STORAGE” means an operation that produces asphalt, or asphalt products used in building or construction and includes facilities for the administration and management of the business, the stockpiling of bulk materials used in the production process or a finished product manufactured on the premises and the storage and maintenance of required equipment, but does not include the retail sale of finished asphalt.
- (28) “AUCTION MART (AUCTIONEERING SERVICES)” means a building or lands or portion thereof used predominantly for livestock auctions and may include the auction of agriculturally related chattels on an accessory basis.
- (29) “AUCTION ROOM” means a building or lands or portion thereof used for the storage of goods and materials which are to be sold on the premises by public auction, and for the sale of the said goods and materials by public auction on an occasional basis.
- (30) “AUTO BODY AND REPAIR SHOP” means a use where the primary activity is the repairing and maintaining of vehicles, including auto body repair.
- (31) “AUTOMOBILE REPAIR GARAGE” means an establishment for the repair or replacement of parts in a motor vehicle but does not offer vehicle fuels for retail sale. This definition does not include an auto body shop, an automobile service station, or a gas bar. For the purposes of this definition, vehicle may include motorized construction equipment, farm equipment or tractor trailers. This use includes “TIRE SHOP”.
- (32) “AUTOMOBILE, TRUCK, AND RECREATION VEHICLE STORAGE” means an outdoor storage area used specifically for seasonal or temporary storage of cars, trucks, and recreation vehicles. For permanent storage, see “AUTO WRECKER” and “SALVAGE YARD”.
- (33) “AUTOMOTIVE/RECREATION VEHICLE SALES AND RENTAL” means a development used for the retail sale or rental of new or used automobiles, recreational vehicles, motorcycles, snowmobiles, tent trailers, boats, travel trailers or similar light vehicles or crafts, together with incidental maintenance services and sale of parts. It includes automobile dealerships, car and truck rental agencies, and motorcycle dealerships, but does not include dealerships for the sale of manufactured homes, trucks, or heavy equipment with a gross vehicle rating greater than 4,000 kg (8,818 lb). See “HEAVY EQUIPMENT SALES,

SERVICE, STORAGE, AND RENTALS” for dealerships of vehicles and equipment over 4,000 kg.

- (34) “AUTOMOBILE SERVICE STATION” means a use, building or part of a building, where vehicle fuels, lubricants and accessories are offered for retail sale and which contains facilities for the repair and maintenance of vehicles excluding body and fender work.
- (35) “AUTOMOBILE SUPPLY STORE” means a use, building, or part of a building where equipment and parts used to repair, service or customize motor vehicles are available for retail sale. This does not include any installations or repairs.
- (36) “AUTO WRECKER” means a use where the primary activity is the storage and wrecking of vehicles, usually for parts or scrap metal re-sale.
- (37) “BALCONY” means a platform, attached to and projecting from the face of a building with or without a supporting structure above the first storey, normally surrounded by a balustrade or railing and used as an outdoor porch or sundeck with access only from within the building.
- (38) “BANK/FINANCIAL INSTITUTION” means a development, use, or building that is primarily for the banking or lending of money and other related services. It includes a trust company, chartered bank, and credit union or Province of Alberta Treasury Branch.
- (39) “BAR / NEIGHBOURHOOD PUB” means development where the primary purpose of the facility is the sale of alcoholic beverages to the public, for consumption within the premises or off the site. This use class typically has a menu and minors are prohibited from patronizing the establishment during at least some portion of the hours of operation. Typical uses include neighbourhood pubs, bars, beverage rooms, and cocktail lounges.
- (40) “BARBERSHOP” (see “PERSONAL SERVICE SHOP”).
- (41) “BASEMENT” means that portion of a building located on the lower floor of a building with two or more floor levels and which is partly or wholly underground.

9. DISTRICT SYMBOLS

Throughout this Bylaw, or any amendments thereto, a district may be referred to either by its full name or by its symbol as set out in subsection 8 of Section 1.

10. DISTRICT MAPS

The District Maps, as may be amended or replaced by Bylaw from time to time, is that map attached to and forming part of the Bylaw and among other things bears the following identification:

- (a) District Maps No. 1 to 168 and as added to or revised from time to time.
- (b) Adopted by Council this ____ day of _____, AD, ____.
- (c) Signatures of the Reeve and County Administrator.

11. DISTRICT BOUNDARIES

The boundaries of the districts listed in subsection 8 of this section are as delineated on the various District Maps listed in subsection 10.

Where uncertainty exists as to the boundaries of the districts as shown on a Land Use District Map, the following rules shall apply:

- (a) Where a boundary is shown as following a public lane or street, the boundary follows the middle of the right-of-way.
- (b) Where a boundary is shown as approximately following a lot line or quarter section line, it shall be deemed to follow the lot line or quarter section line.
- (c) In circumstances not covered by rules (a) and (b), the location of the district boundary shall be determined:
 - (i) where dimensions are set out on a Land Use District map, by the dimensions so set out,
 - or

- (ii) where no dimensions are set out on a Land Use District map with respect to such boundary, by measurement with the use of the scale shown on a Land Use District map, or
 - (iii) where a street, highway or railroad right of way, electrical transmission line right of way or watercourse serves as a boundary, a line midway on such right of way shall be considered the boundary between the district unless specifically indicated otherwise.
- (d) Where the application of the above rules does not determine the exact location of the boundary of the district, the Council, either on its own motion or upon written application being made to it by any person requesting the determination of the exact location of the boundary, shall fix the portion of the district boundary in doubt or dispute in a manner consistent with the provisions of this Order and with the degree of detail as to measurements and directions as the circumstances may require.
- (e) After the County has fixed a district boundary pursuant to the provisions of the above paragraph, the portion of the boundary so fixed shall not be thereafter altered except by an amendment of this Bylaw.

The Council shall maintain a list of its decisions with respect to boundaries or portions thereof fixed by it.

SECTION 2: ADMINISTRATIVE

1. DEVELOPMENT AUTHORITY

The Development Authority is established by By-law pursuant to the Act.

The Development Authority shall exercise development powers and duties on behalf of the Municipality.

The Development Authority shall be the Development Officer or, where the context of this bylaw permits, the Municipal Planning Commission or County Council.

2. OFFICE OF DEVELOPMENT OFFICER

The office of the Development Officer is hereby established and the Development Officer or Development Officers shall be appointed by a resolution of Council.

3. DUTIES AND RESPONSIBILITIES

The Development Officer(s):

- (a) shall receive and consider applications for a development permit;
- (b) shall keep and maintain, for inspection of the public during office hours, a copy of this Bylaw and all amendments and resolutions thereto and ensure that copies are available to the public at reasonable charge;
- (c) shall keep a register of all development permit applications, including the decisions thereon and the reasons therefore, as per the retention policies of the County of Grande Prairie;
- (d) shall make decisions on all development permit applications for Permitted Uses;
- (e) may make decisions on development permit applications for Discretionary Uses;
- (f) shall issue decisions on all development permit applications and state terms and conditions, as authorized by this Bylaw or the Act;
- (g) shall refer all applications for Discretionary Uses specifically identified in the Bylaw with “MPC” following the use listed, to the Municipal Planning Commission for decision;

- (h) shall refer all development applications in a Direct Control District to the Municipal Council, unless Council has specifically delegated approval authority to the Development Authority;
- (i) shall be the Development Authority for all purposes of the Act and this Bylaw except where responsibility is given to the Municipal Planning Commission;
- (j) shall collect fees in accordance with the scale to be established by Bylaw by Council; and,
- (k) may refer any development application to the Municipal Planning Commission and may refer any other planning or development matter to the Municipal Planning Commission for its review, support or advice.

4. MUNICIPAL PLANNING COMMISSION

The Municipal Planning Commission, as established by separate Bylaw shall perform such duties as outlined in this Bylaw and the Municipal Planning Commission Bylaw.

5. DEVELOPMENT PERMITS REQUIRED

Except as provided in Section 2(6) of this Bylaw, no person shall undertake any development unless it is in accordance with the terms and conditions of a development permit issued pursuant to this Bylaw.

6. DEVELOPMENT PERMITS NOT REQUIRED

A development permit is not required for the following developments providing such complies with all the other provisions of this Bylaw:

- (a) Works of maintenance repair or alterations on a structure, both internal and external, if in the opinion of the Development Officer such work:
 - (i) does not include structural alterations, and
 - (ii) does not change the use or intensity of the use of the structure.
- (b) The completion of a building which was lawfully under construction at the date this Bylaw comes into full force and effect, provided that the building is completed in accordance with the terms of any permit granted by the County, subject to the conditions of that permit;
- (c) The erection, construction, or the maintenance of gates, open fences, screening fences, or other means of enclosure less than 1.0 metres (3 feet) in height in the front yard and 2.0 metres (6 feet) or less in height in side and rear yards provided that the erection of such fence, wall or gate does not contravene any other provision of this Bylaw;”
- (d) The erection or construction of machinery, buildings or structures needed in connection with operations for which a Development Permit has been issued, for the period of those operations;
- (e) The construction and maintenance of that part of a public utility placed in or upon a public thoroughfare or public utility easement;
- (f) The use by the County of land of which the County is the legal or equitable owner in connection with any public utility carried out by the County;
- (g) The use of a building or part thereof as a temporary polling station for a Federal, Provincial or Municipal election or referendum;
- (h) Temporary election signs;
- (i) The erection or construction of a temporary campsite by the municipality for the carrying out, from time to time, of municipal works;
- (j) The construction of farm buildings in the AG District, provided that a building permit is not required by the Alberta Building Code;
- (k) Up to two (2) buildings or structures less than 10 square metres (108 sq. ft.) in area and not permanently attached to the ground, within a Residential District or an Urban Reserve District provided that no portion of the building is located within the required yard setbacks.

- (l) The erection, construction or maintenance of decks that are less than 0.61 metres (2 feet) in height (measured from the finished grade to the underside of the supporting structure).

7. APPLICATION FOR A DEVELOPMENT PERMIT

An application for a development permit shall be made to the Development Officer in writing on the prescribed Form A as outlined in Schedule "A", and shall be accompanied by the following information before the application will be deemed to be complete and received in final form:

- (a) The application must be signed by the applicant and the registered owner may be required to provide written authorization confirming support for the application;
- (b) A non-refundable fee to cover the administrative processing costs as established in the Development Permit Fee Schedule as adopted by resolution of Council,
- (c) The legal description and site dimensions for the proposed property and a street address if relevant,
- (d) A statement of the proposed uses,
- (e) A location map for the proposed development indicating the following:
 - (i) a legal description of the proposed development and all adjacent properties,
 - (ii) identification of all abutting roadways including, primary highways, municipal roads and internal subdivision roads and any existing or proposed access to the development,
 - (iii) identification of all rights of way and easements within or abutting the subject property,
 - (iv) identification of all drainage courses and/or proposed drainage plan.
- (f) A detailed site plan of the proposed development, in duplicate when required, drawn to a metric scale of no less than 1:2000 (i.e. not 1:2500, but could be 1:500), or such other metric scale as the Development Authority may require, with two reduced copies on 11 by 17 paper, and showing all of the following information:
 - (i) location and dimensions of all existing and proposed buildings including front, side and rear yards;
 - (ii) north arrow;
 - (iii) scale;
 - (iv) the estimated commencement and completion dates;
 - (v) access points to the site;
 - (vi) adjacent land uses;
 - (vii) proposed vehicle parking areas including number of spaces, dimensions of all aisles, stalls and any lighting standards and curbs;

- (viii) off-street loading areas;
 - (ix) location source of water supply including wells, dugouts, holding tanks or central system;
 - (x) location of existing or proposed sewage disposal systems, including septic tanks, disposal fields and sewers;
 - (xi) provision for any other utilities, if applicable;
 - (xii) site storm drainage plans;
 - (xiii) landscaping information including plans of type, size and spacing of plantings;
 - (xiv) residential development density (if applicable); and
 - (xv) any additional information the Development Authority deems necessary in order to evaluate the application.
- (g) Development permit applications for signs shall include:
- (i) drawings that provide the dimensions, area, material, finishes, colours, size of lettering, wording and graphics, method of illumination, and mounting or erection details;
 - (ii) drawings or photos which show the location and separation distances between all existing and proposed signs.
- (h) The estimated cost of the project;
- (i) Any topographical features and the extent of existing treed areas shall be indicated on the site plan together with an indication of the trees proposed to be removed in the course of development;
- (j) Any studies required to evaluate the proposal;
- (k) A Real Property Report to verify the location of an existing building or buildings that is the subject of a development permit application; and
- (l) For Natural Resource Extraction Industries, the proponent shall, in addition to the requirements identified elsewhere in the Bylaw, submit with the application the following:
- (i) site diagrams showing topography and drainage patterns;
 - (ii) purpose of extraction;
 - (iii) written details regarding the development and operation of the pit, including the estimated length of time for use of the site, the extent of the excavation proposed, stockpiles (type and location), and types of activities proposed (excavation, crushing, stockpiling);
 - (iv) a written plan detailing the methods proposed to mitigate the impacts of noise, dust and other emissions;
 - (v) written details of projected hauling operations including hours of operation, number of trucks, proposed routes, dust control methods, road maintenance, and signs;
 - (vi) reclamation plans;
 - (vii) capability of the site for agriculture and recreation;
 - (viii) impact on critical wildlife and fish habitat; and

- (ix) other information as may be required by the Development Authority.
- (m) For all uses, such additional information as the Development Authority deems necessary in order to evaluate any application in accordance with this By-law. This additional information may include, but is not limited to the following:
 - (i) location and size of existing trees;
 - (ii) a report from a qualified consultant regarding the provision, availability, and suitability of potable water on or to the land to be subdivided, as per Alberta Environment guidelines;
 - (iii) a report from a qualified consultant regarding the nature of sewage effluents likely to come from the proposed development and proposed method(s) of treatment;
 - (iv) a geo-technical or floodplain study prepared by a qualified engineer recognized by APEGGA if, in the opinion of the Development Authority, the site is potentially hazardous or unstable;
 - (v) a reclamation plan for aggregate extraction or other major surface disturbance;
 - (vi) a level one and/or level two environmental site assessment, conducted according to Canadian Standards Association (CSA) guidelines, to determine potential contamination and mitigation;
 - (vii) an environmental impact assessment prepared by a qualified professional if the proposed development may, in the opinion of the Development Authority, result in potentially significant environmental effects;
 - (viii) traffic impact analysis prepared by a qualified engineer recognized by APEGGA as specializing in Transportation Engineering;
 - (ix) such other plans, photographs or other documents or information of any kind that the Development Authority may consider necessary to properly evaluate the proposed development, including, but not limited to:
 - a. building plans, showing floor plans, elevations and exterior finishing materials;
 - b. the number of employees anticipated to be working on site;
 - c. transportation methods and routes proposed to move goods to and from the proposed development; and
 - d. rationale for choosing the proposed location rather than other potential sites.

8. WAIVER OF INFORMATION REQUIREMENTS

The Development Officer may deal with an application for any use and make a decision thereon without all the information required by Subsection 7 if, in the opinion of the Development Officer, a decision on the application can be properly made without such information.

9. DEVELOPMENT REFERRALS

- (a) The Development Authority may refer to any adjacent municipality or government agency, for

consideration and recommendation on any matter or any application for a development permit.

- (b) The Development Authority shall refer those Discretionary Uses with “MPC” following the use as listed under each Land Use District and those Discretionary and Permitted Uses that require significant waivers (as determined by the Development Authority), to adjacent landowners and may refer these applications to other nearby landowners, at the discretion of the Development Authority. As well, any other application may be referred to adjacent landowners or any other landowner within 100 metres of the boundaries of the land subject to the application, at the discretion of the Development Authority. This requirement may be waived if the applicant has demonstrated to the satisfaction of the Development Authority that those potentially impacted have no objections.
- (c) Having received a reply on a matter referred to any adjacent municipality, landowner or government agency, the Development Authority may make a decision giving due consideration to the aforesaid recommendations.

10. INCOMPLETE APPLICATIONS

The Development Officer shall return an application for a development permit to an applicant where sufficient details of the proposed development have not been included with the application. The application so returned shall be deemed not to have been complete in its final form, and therefore not received, until all required details have been submitted to the Development Officer.

11. DEVELOPMENT PERMIT DECISIONS

(a) Permitted Uses

In making a decision for a use listed under the "Permitted Uses" column in that district the Development Officer(s):

- (i) may approve the application if the use does not otherwise conform with the Bylaw subject to conditions necessary to ensure conformity;
- (ii) shall approve the application upon the use conforming with the Bylaw; and
- (iii) may establish and attach conditions in accordance with Section 2(14) of this Bylaw.

(b) Discretionary Uses

In making a decision on an application for the use listed under the “Discretionary Uses” column in that District the Development Officer(s):

- (i) may approve the application unconditionally; or
- (ii) may approve the application subject to conditions in accordance with Section 2(14) of this Bylaw; or
- (iii) may refuse the application with the reasons specified; or

- (iv) may refer any applications in the "Discretionary Uses" column to the Municipal Planning Commission.

12. VARIANCE POWERS

- (a) Uses

Where a proposed specific use of land or a building is not provided for in any district in the Land Use Bylaw, the Development Authority may determine that such use is similar in character and purpose to a use listed under the "Permitted Uses" or "Discretionary Uses" columns in the Agricultural district and may issue a development permit with or without conditions.

- (b) District Requirements

- (i) In the Agricultural District, the Development Authority may vary any or all of the district requirements provided such a variance will not unduly affect the amenities, use or enjoyment of the site or the neighbouring properties and provided such a variance is not applied to allow for creation of a new lot (except for farmsteads in a quarter section), and provided such a variance does not conflict with the Subdivision and Development Regulations;
- (ii) In all other districts, the Development Authority may vary any or all of the district requirements. The variance shall not unduly affect the amenities, use or enjoyment of the site or neighbouring properties and shall not conflict with the Subdivision and Development Regulations;
- (iii) Notwithstanding this, no variation in the district standards will be allowed from the minimum separation distances for sanitary landfills, or wastewater treatment facilities.

- (c) Subdivision

Where the subdivision of land involves farmsteads, the Subdivision Authority may vary the maximum parcel size and any minimum lot width or minimum setback requirement provided such a variance shall not unduly interfere with the amenities of the neighbourhood, or materially interfere with or affect the use, enjoyment or value of the neighbouring properties and provided the proposed subdivision conforms with the use prescribed for that land in the Land Use By-law. The variance shall not conflict with the Subdivision and Development Regulations.

- (d) Real Property Reports

As part of the authority given to the Development Officer to process Real Property Reports (RPR), the Development Officer may sign an RPR when the District Requirements are not met, provided that the variance required is a distance and is no more than 0.15 metres.

13. PUBLIC NOTIFICATION - DEVELOPMENT PERMITS

- (a) When an application for a development permit is approved, the following procedure shall be used for notification purposes:
 - (i) All notices must contain the location or legal description of the property for which the application has been approved, a description of the approved use, and the procedure for any appeals;
 - (ii) For a Permitted Use where all of the requirements of the district have been complied with, the Development Officer may post a notice in the County Administration office and provide to the applicant or his agent written notice of the approval;
 - (iii) For all other development permits the Development Officer shall publish a notice in a newspaper circulating in the municipality, and may:
 - a. notify the applicant or his agent by sending them, by regular mail, a written copy of the decision;
 - b. in the case of a development permit application which has been circulated to other landowners for comment, notify in writing the same landowners of the decision;
 - c. notify in writing any other person the Development Officer feels may be affected by the issuance of the permit, and
 - d. notify in writing an adjacent municipality when required under the provisions of an Inter-Municipal Development Plan.
 - (iv) The Development Officer may require that a notice be posted on the property stating the location of the property for which the application has been made, the proposed use and development approved.
 - (v) The Development Officer may post development permit decisions on the County's web site.
- (b) When an application for a development permit is refused, the Development Officer shall mail a notice of decision in writing, to the applicant or his agent stating the reasons for refusal.

14. ADMINISTRATION OF CONDITIONS FOR DEVELOPMENT PERMITS

- (a) The Development Authority may require, with respect to a development that, as a condition of issuing a development permit, the applicant enters into a development agreement with the Municipality to carry out all or any of those provisions as described in the Municipal Government Act and its successors and in Section 3(1) of this Bylaw.
- (b) Where the development of land involves a subdivision of land, a development permit may not be issued until the Development Authority receives evidence that the necessary subdivision is registered in the appropriate Land Titles office.
- (c) Where certain works are required or conditions are imposed against a lot or parcel due to a decision by the Subdivision Authority acting within the jurisdiction of the Subdivision & Development Regulations, no permit shall be issued until the works or conditions have been

complied with or until a developer's agreement for specific performance is in existence between the developer and the Municipality.

15. TIME LIMITS

- (a) The Development Authority shall consider and decide on an application for a development permit within forty (40) days of the receipt of the application in its complete and final form.
- (b) Notwithstanding the above paragraph, an application shall, at the option of the applicant, be deemed refused when a decision is not made within forty (40) days of the receipt of the application in its complete and final form.
- (c) If a decision is not made within the forty (40) days, the applicant may enter into an agreement with the Development Officer to extend the forty (40) day period (see Schedule “A”, Form “E” attached to this Bylaw).
- (d) When, in the opinion of the Development Officer, satisfactory arrangements have not been made by a developer for the supply of water, electrical power, sewage, street access or rural road access, or any of them, including payment of the costs of installation or construction, the Development Officer shall refuse to issue a development permit.
- (e) When an application for a development permit has been refused pursuant to this Bylaw or ultimately after appeal, the submission of another application for a development permit ***or for a change in land use designation*** on the same parcel of land and for ***the same or*** a similar use of the land by the same or any other applicant shall not be accepted by the Development Authority for at least six (6) months after the date of refusal.
- (f) Unless a development permit is issued for a permitted use that conforms to the District Requirements, a development permit is not effective until the relevant appeal period as outlined in the Act has lapsed and provided no appeal is lodged with the Subdivision and Development Appeal Board.
- (g) When an appeal is made with respect to a development permit approved by the Development Authority, the development permit that has been issued shall not come into effect until the appeal has been determined, at which time the permit may be modified or nullified thereby.
- (h) A development permit becomes void twelve (12) months from the date of approval if the development has not commenced. The Development Authority may approve an extension, not to exceed six (6) months. Those portions of the development that are incomplete twenty-four (24) months from the date of approval shall be deemed to be no longer approved for development and the relevant sections of the development permit shall become void.

16. COMPLIANCE WITH DEVELOPMENT PERMITS

Unless otherwise specified in the Development Permit, a proponent of development shall obtain a Compliance Certificate (see Schedule “A”, Form “D”) from the County of Grande Prairie Planning Department prior to occupancy and use of property as approved in the Development Permit.

At the discretion of the Development Authority, occupancy may be denied should there be a lack of compliance with the approved Development Permit. However, should the proponent of development have a Development Agreement, pay a deposit, or provide the County with a Letter of Credit, any one of which must give the County the security needed to ensure the works required by the Development Permit can and will be completed, then occupancy may be permitted. Occupancy may also be denied if the Building Inspector does not issue a “clean inspection report” for the building.

A compliance certificate and occupancy permit may not be required for all forms of development in the County, but will be identified as specific conditions in the Development Permit.

17. ENFORCEMENT AND PENALTIES

- (a) Where a Development Officer or Municipal Planning Commission finds that a development or use of land or buildings is not in accordance with the Municipal Government Act, the Subdivision and Development Regulation, a development permit or subdivision approval, or this Bylaw, the Development Officer shall issue a warning letter to the registered owner or the person in possession of the land or buildings or the person responsible for the contravention indicating the violations and instructions to remedy the situation.
- (b) Should the warning be unsuccessful, the Development Officer will then issue a written notice (Stop Order) that orders the registered owner or the person in possession of the land or buildings or the person responsible for the contravention or all or any of them to:
 - (i) stop the development or use of the land or buildings in whole or in part as directed by the notice; or
 - (ii) demolish, remove, or replace the development; or
 - (iii) take such other measures as are specified in the notice so that the development or use of the land or buildings is in accordance with the Act, the Subdivision and Development Regulation, a development permit or subdivision approval, or this Bylaw, as the case may be,within the time set out in the notice.
- (c) A person who receives a notice pursuant to subsection 2(17)(b) may appeal the order to the Subdivision and Development Appeal Board, in accordance with the Municipal Government Act and its successors.

- (d) The County may register a caveat under the Land Titles Act in respect of the Stop Order against the certificate of title for the land that is the subject of the Stop Order. The County shall discharge the caveat when the Stop Order has been complied with.
- (e) The Development Officer may cause an application to be made to the Alberta Court of Appeal for an injunction restraining the contravention or non-compliance.
- (f) The costs thus incurred shall be placed on the tax roll as an additional tax against the property.

18. PENALTY

Any person who does not comply with this Bylaw is guilty of an offence and is liable upon conviction to the penalties identified in the Municipal Government Act or its successors.

19. AMENDING THE BYLAW

- (a) Any person may apply to amend this Bylaw by making an application for amendment and submitting it to the Planning Department for processing and referral to Council.
- (b) All amendments to this Bylaw shall be made pursuant to the Municipal Government Act.
- (c) A Land Use Bylaw amendment application shall be made to the County on the prescribed form, and shall be signed by the applicant or their agent authorized in writing. The following information and documents will accompany the application, unless otherwise specified by the Development Authority:
 - (i) a statement of the specific amendment requested;
 - (ii) an application fee as prescribed by County Council;
 - (iii) if the amendment involves the rezoning of land to a different land use district:
 - a. a copy of any documentation satisfactory to the Development Authority verifying that the applicant has a legal interest in the land;
 - b. if the applicant is an agent of the landowner, a letter from the landowner verifying the agent's authority to make the application;
 - c. an air photo of the subject land at a scale of no less than 1:5000;
 - d. a properly scaled and dimensioned map or plan of subdivision showing:
 - the location, dimensions, and boundaries of the affected site, and its relationship to existing land uses on adjacent properties;
 - the dimensions and boundaries of existing rights-of-way of each public utility or other rights-of-way (i.e.: roads, pipelines, railways, etc.);
 - the location, use and dimension of buildings on the land and specifying those buildings that are proposed to be demolished or moved;

- the location or surveyed boundaries of the bed and shore of any river, stream, watercourse, lake or other body of water that is contained within or bounds the proposed parcel of land, including the top of bank;
 - the location of any existing or proposed wells, the location and type of any private sewage disposal system and the distance from these to existing or proposed buildings and property lines;
 - the location of existing and proposed accesses to the property;
 - the location of any sour gas facilities situated within 1.5 km of the proposed rezoning;
 - the location of any sanitary landfill, hazardous waste management facility, or dry waste facility situated within 450 metres of the proposed rezoning;
 - the location of any operating wastewater treatment plant situated within 300 metres of the proposed rezoning;
 - the scale of the plan or map; and,
 - a key map showing the location of the property within the County.
- e. if the proposed amendment is solely for a change in text, the requirements of (d) above do not apply.
- (iv) a description of the use or uses proposed for the land that is the subject of the application;
 - (v) information respecting the land use and land surface characteristics of land within 0.8 kilometres of the land proposed to be rezoned;
 - (vi) if the land is located in a potential floodplain and floodplain mapping is available, a map showing the 1 in 100 year flood;
 - (vii) a statement of the purpose and reasons for the application to amend the Bylaw;
 - (viii) if the application is intended to accommodate a subdivision proposal, a copy of the tentative or draft plan of subdivision is required showing:
 - a. the dimensions and boundaries of each new lot to be created and any reserve land and this information will also be overlaid on an air photo of the subject land at a scale of no less than 1:5000;
 - b. the location, use and dimension of buildings on the land and specifying those buildings that are proposed to be demolished or moved;
 - c. the location of existing and proposed access to the proposed parcels and the remainder of the titles area;
 - d. the location(s) of any sour gas facility situated within 1.5 km of the proposed subdivision;
 - e. the location of any sanitary landfill, modified sanitary landfill, hazardous waste management facility, or dry waste facility situated within 450 metres of the proposed subdivision; and
 - f. if any portion of the land affected by the proposed subdivision is situated within 300 metres of the working area of an operating wastewater treatment plant, a map showing the location of the treatment plant.

- (ix) for multi-lot subdivisions of six lots or more or for subdivisions that create the sixth lot or more on any one quarter section, the County will require additional more detailed information including, but not limited to:
 - a. a map of the land to be re-zoned that shows topographic contours at not greater than 1.5 metre intervals and related to the geodetic datum, where practical;
 - b. a report from a qualified consultant regarding the provision, availability, and suitability of potable water on or to the land to be subdivided, as per Alberta Environment guidelines;
 - c. a Storm Water Drainage Plan, including plans for storm water management, if needed;
 - d. an assessment of subsurface characteristics of the land that is to be subdivided including, but not limited to, susceptibility to slumping or subsidence, depth to water table and suitability for any proposed on-site sewage disposal system, as per Alberta Environment guidelines;
 - e. a report from a qualified consultant providing information respecting the intended method of providing sewage disposal facilities to each lot in the proposed subdivision (i.e. the area being re-zoned);
 - f. a plan indicating potential, suitable building sites;
 - g. a conceptual scheme that relates the application to future subdivision and development of adjacent areas; and,
 - h. a traffic impact analysis prepared by a qualified engineer recognized by APEGGA as specializing in Transportation Engineering.
 - (x) such additional information as the Development Authority or referral agencies may request, including, but not limited to reports and studies such as a historical impact analysis and an environmental impact analysis.
- (d) Upon receipt of an application, in its complete and final form, for amendment to this Bylaw, the Development Officer shall determine when the application will be placed before the Council and shall issue not less than ten days notice to the applicant advising that they may appear before the Council at that time and speak to the application.
 - (e) Council may require, prior to considering a proposed amendment to this Bylaw, that an Area Structure Plan be prepared or amended in accordance with the Act or an Outline Plan be prepared in accordance with the Municipal Development Plan. The Area Structure Plan or Outline Plan shall address all those issues considered necessary for the proper consideration of development within the area covered by the Area Structure Plan or Outline Plan.
 - (f) Council, after due consideration to an application received pursuant to subsections (a) – (e) above, may prior to second reading:
 - (i) establish the date, time and place for a public hearing on the proposed Bylaw;
 - (ii) outline the procedure to be followed by anyone wishing to be heard at the public hearing;
 - (iii) outline the procedure by which the public hearing will be conducted;

- (iv) follow other procedures for public hearing as outlined in the Act; and
- (v) may expand the notification procedures and provisions beyond those outlined in the Act.

(g) The Council, after considering:

- (i) any representations made at the public hearing;
- (ii) any Municipal Development Plan, area structure plan, area redevelopment plan, area management plan, intermunicipal development plan affecting the application and the provisions of this Bylaw;

may:

- (i) make such amendments or changes as is considered necessary to the proposed Bylaw, if any, and proceed to pass the proposed Bylaw, or
- (ii) defeat the proposed Bylaw.

(h) Council may, at any time, initiate an amendment to this Bylaw by directing the Development Officer to initiate such an application. The Council, on its own initiative, may give first reading to a Bylaw to amend this Bylaw.

20. OUTSTANDING APPLICATIONS

Notwithstanding anything else in this Bylaw, any subdivision application or development permit application, except an application for a permit extension or renewal, received prior to the third and final reading of this Bylaw shall be processed under the provisions of Bylaw #1660.

21. FORMS AND NOTICES

For the purpose of administering the provisions of this Bylaw, Council may, by resolution, authorize the preparation and use of such forms and notices as in its discretion it may deem necessary. All forms or notices as contained in Schedule "A" is deemed to have the full force and effect of this Bylaw in execution of the purpose for which they were designed, authorized, and issued.

The forms and notices authorized by Council pursuant to this Bylaw may be posted, issued, served or delivered (in the course of his or her duties) by an official of the Municipality.

SECTION 3: GENERAL PROVISIONS FOR ALL DISTRICTS

In addition to the specific district requirements in each district the following General Land Use Provisions shall apply to all developments.

1. GENERAL DEVELOPMENT REGULATIONS

- (a) The Development Authority may request and consider with respect to land that is the subject of an application for a development permit:
 - (i) its topography;
 - (ii) its soil characteristics;
 - (iii) adjacent land uses;
 - (iv) the collection and disposal of storm water from the land;
 - (v) its potential for flooding, subsidence or erosion;
 - (vi) its accessibility to a public roadway or highway, constructed to appropriate municipal or provincial standards;
 - (vii) the distances between proposed driveways and existing driveways, and distances between proposed driveways and existing roadway intersections;
 - (viii) the availability and adequacy of a potable water supply;
 - (ix) the adequacy of a sewage disposal system and the disposal of solid waste;
 - (x) the availability or adequacy of municipal services, which, without restricting the generality of the foregoing, may include fire protection, education services, student transportation, and police protection;
 - (xi) the need to maintain an adequate separation distance between different or incompatible land uses. The separation distance shall be as prescribed by the Development Authority recognizing the type and magnitude of both the development and surrounding land uses;
 - (xii) the proposed residential density;
 - (xiii) provision for proposed utilities;
 - (xiv) details for proposed signs;
 - (xv) proximity to environmentally sensitive areas;
 - (xvi) an environmental impact assessment;
 - (xvii) a site grading plan;
 - (xviii) proposed landscaping;
 - (xix) proposed parking and loading areas;
 - (xx) detailed geo-technical engineering studies; and
 - (xxi) such other matters as the Development Authority deems appropriate.
- (b) The Development Authority may attach conditions to a development permit to require the developer and/or development to:

- (i) adhere to the relevant standards for the subject district and associated general regulations as provided by this By-law;
- (ii) obtain a building permit or other permits pursuant to the requirements of the Safety Codes Act;
- (iii) obtain any additional and necessary permits or approvals from appropriate federal or provincial departments or agencies;
- (iv) take actions or measures to ensure that the development will comply with this By-law and, if necessary, other statutes;
- (v) provide an engineer's report and/or environmental impact assessment to certify a suitable building site for the proposed development;
- (vi) address the quality of exterior treatment and design of buildings;
- (vii) carry out any necessary landscaping and/or drainage;
- (viii) locate the development according to certain standards;
- (ix) take actions or measures to mitigate the concerns of adjacent landowners;
- (x) take actions or measures to mitigate an increase in the amount and/or type of traffic generated by the proposed development;
- (xi) control the location and amount of goods, materials and any other items stored on a site;
- (xii) construct or pay for the construction of roads required to give access to the development;
- (xiii) maintain or pay for the maintenance of roads required to give access to the development which may include the requirement for an industrial haul agreement;
- (xiv) install or to pay for the installation of utilities needed to service the proposed development;
- (xv) pay a local improvement charge, an off-site levy or a redevelopment levy where such charge is established by By-law;
- (xvi) provide security to ensure that the conditions of the permit are carried out;
- (xvii) with respect to signs, govern the size and location of the sign and the length of time it is to remain in place;
- (xviii) enter into a development agreement with the County that may include any or all of the conditions listed above; and
- (xix) any other conditions to ensure that the Act and Regulations, any statutory plan and this By-law affecting the land proposed to be developed are complied with.

(c) Permitted Encroachments

The following features may project into the required yard setbacks under this by-law:

- (i) eaves, unenclosed steps, chimneys, belt courses, cantilevers and any other similar architectural feature provided that such projections do not exceed the following:
 - a. 0.6 metres into a required side yard setback of 1.2 metres – 2.99 metres; or
 - b. 1.2 metres into a required yard setback of 3 metres or greater.
- (ii) at the discretion of the Development Authority, a deck may encroach into any required yard where the deck is designed to accommodate access to a dwelling unit for a disabled person. Such a deck will be permitted on a temporary basis and shall be removed when no

- longer required to provide access for a disabled person.
- (iii) fish ponds, ornaments, flagpoles (less than 4.6 metres {15 feet} in height) or similar landscaping features, and decks less than 0.61 metres (2 feet) in height (measured from the finished grade to the underside of the supporting structure).
- (iv) All fences may be located within the required yard setbacks unless specifically prohibited by the conditions of a development permit.

(d) Rounding Exceptions

Discrepancies in measured distances due to rounding as part of a conversion calculation from imperial measure to metric measure or vice versa, shall be resolved by relying on the metric distance, and this may be rounded to one decimal place.

2. UNDERSIZED LOTS

- (a) No permit shall be issued for any development on a site, the area or width of which is less than the minimum prescribed for the district in which the site is located, except that a lot of separate record in the Land Titles Office containing less than the minimum area or width specified for the district may be used subject to the discretion of the Development Authority if all other requirements of the Bylaw are observed.
- (b) When two or more contiguous substandard lots are contained in the same Certificate of Title an application for development on one of them may not be considered unless or until a consolidation of the said lots has been carried out in such a way as to create one or more lots which do meet minimum standards of width, depth and acreage.

3. PARCEL DENSITY

Notwithstanding anything else in this Bylaw, a lot with a separate Certificate of Title at the time of third reading of this Bylaw, which may exceed the permitted parcel density within that district, may be permitted a development permit for one or more of the uses allowed within the district provided that all other district requirements can be met.

4. DWELLING UNITS PER PARCEL

- (a) No person shall construct or locate or cause to be constructed or located more than one dwelling unit on a lot unless provided for in this bylaw (e.g. multiple unit buildings are identified as specific uses within certain districts and can therefore be approved without reference to this section).
- (b) The Development Authority may, in a development permit, exempt any person or land from the operation of subsection (a), if the parcel has sufficient land area to support a second dwelling unit (e.g. for building setbacks and sewage and water service) and if any one of the following apply:

- (i) The parcel is zoned Agricultural (AG) and a maximum of two single detached dwellings are proposed (NOTE: clustered farm dwellings are discretionary uses in the AG District and are therefore exempt from (a)); or,
 - (ii) In all residential districts, a second dwelling unit may be considered for temporary approval based on compassionate reasons such as financial hardship, special health needs, and age related needs.
- (c) Temporary approval of a second dwelling unit in a new building is prohibited unless as a condition of approval, the dwelling is placed on a temporary base or foundation from which it can easily and quickly be moved, and provided the temporary approval has accounted for Sections 3(8) and 3(23) (Manufactured Homes) of this Bylaw.

5. MAIN BUILDING PER LOT

No person shall construct or cause to be constructed, more than one main building per lot unless authorized by the Development Authority. In addition, no person shall construct, or cause to be constructed, an accessory building in excess of 100 m² on a residential lot unless the main residential building is constructed prior to, or at the time of, construction of the accessory building.

6. GARAGES

Unless otherwise specified in this by-law, garages shall be limited to one per lot.

7. ACCESSORY USES, BUILDINGS AND STRUCTURES

- (a) For the purpose of calculating yard setbacks and site coverage requirements, when an accessory building or structure is attached to the principal building on a site by a roof, an open or enclosed structure, a floor or a foundation, it is to be considered a part of the principal building and not as an accessory building.
- (b) Any accessory building or structure, except a deck or fence, shall be located at least 1.8 metres (6 feet) from any principal building.
- (c) All accessory buildings and structures, except fences, shall adhere to the minimum setback requirements in each district unless otherwise specified as a special regulation. A fence may have no setback from a property line unless setbacks are specifically required in the development permit. If a fence is to be shared by two property owners, a joint application is required.
- (d) In all residential districts, a swimming pool shall be considered an accessory use. In all other districts, a swimming pool is a recreation facility or accessory recreation facility (use/structure), subject to the context of the application and as determined by the Development Authority.
- (e) Two accessory buildings or structures per residential lot that are less than 10 m² (108 ft.²) in area and not permanently attached to the ground shall be permitted by this By-law without a Development Permit.

- (f) In all residential districts, the maximum number of accessory buildings or structures permitted per lot shall be two (2), plus one garage (Section 3(6)) and two small (under 10 m²) accessory buildings as described in Section 2(6)(k) and 3(7)(e) above. Buildings or structures associated with a Major or Minor Agricultural Pursuit may be permitted in addition to this maximum at the discretion of the Development Authority.
- (g) Fences, decks, stairs and other similar structures are excluded from the calculation described above in Section 3(7)(f).

8. TEMPORARY USES, BUILDINGS, AND STRUCTURES

- (a) Temporary uses, buildings, or structures may be permitted in all Districts at the discretion of the Development Authority, provided that temporary buildings or structures are not placed on permanent foundations and provided that the use, building or structure is listed as either a permitted or discretionary use in the relevant land use district.
- (b) A show home used for the purposes of sales and marketing of new homes may be approved as a temporary use of a permanent building in all residential districts, provided the show home is constructed as an approved dwelling unit ultimately intended for residential occupancy.
- (c) Except as noted in Section 3(23) of this Bylaw, temporary uses, buildings, or structures may be approved for a period of up to three (3) years. Renewal of these approvals may be permitted but such renewals shall not extend the total length of a temporary approval beyond ten (10) years.
- (d) Temporary approval of a second dwelling unit is prohibited unless as a condition of approval, the dwelling is placed on a temporary base or foundation from which it can easily and quickly be moved, and provided the temporary approval is in accordance with Sections 3(4) and 3(23) (Manufactured Homes) of this Bylaw.
- (e) Where a person proposes to extend the temporary period beyond the time set out in the permit, he shall, not later than sixty days prior to the day on which the development permit will cease to be in effect, make written application to the Development Authority for renewal of the permit setting forth the reasons therefore. If an application for renewal is submitted after this date, the application shall be refused and a new application must be submitted, but any approval of such an application, and any subsequent renewal applications, shall be treated as though the original application had been properly renewed.

9. UTILITIES

The erection of a building on any site where it would otherwise be permitted under this Bylaw shall be prohibited when, in the opinion of the Development Authority, satisfactory arrangements have not been made by the developer for the supply to the building of water, electric power, sewage and street access, or any of them, including payment of the costs of installing or constructing any such utility or facility by the developer.

10. LANDS SUBJECT TO FLOODING OR SUBSIDENCE

Development on land that is subject to flooding or subsidence or that is marshy shall not be allowed.

11. DEVELOPMENT NEAR WATERBODIES, WATERCOURSES AND TRUMPETER SWAN HABITAT

- (a) Where a parcel of land borders on or contains a watercourse, the following setbacks from the high water mark of the watercourse shall apply:

| <u>Depth of the Watercourse</u> | <u>Minimum Building or Structure Setback</u> |
|-------------------------------------|--|
| less than 3 m | At the discretion of the Development Authority |
| between 3m and 15 m | 22 m |
| greater than 15 m less than 30 m | 44 m |
| greater than 30 m | 60 m |

- (b) Except in the cases of permitted uses, the Development Authority may increase the building or structure setbacks where deemed necessary.
- (c) If a parcel of land borders on or contains a waterbody identified as a Trumpeter Swan habitat, the Development Authority shall determine the specific setbacks from the waterbody.
- (d) Development shall not be permitted on public lands located within Trumpeter Swan Habitat.
- (e) Development shall not be permitted when construction, earth moving, or the placement of fill in Trumpeter Swan Habitat is required or proposed in order to create private or public access to such development.

12. SETBACK FROM BEAR CREEK

Notwithstanding the provisions of Section 3.9.1, development may be allowed on any lot abutting the Bear Creek if an engineering report detailing foundation design is provided to, and approved by, the County prior to beginning construction, and provided construction proceeds in accordance with the approved engineering report.

13. TRANSPORTATION AND MUNICIPAL ROAD STANDARDS

- (a) All municipal roads and internal subdivision roads shall 30 metres in width. The subdivision of land for any purpose will not be allowed unless the minimum road standard has been met.
- (b) Separation between roadway intersections on all County arterial roads shall be no less than 300 metres.
- (c) Unless otherwise approved by the County of Grande Prairie Public Works Superintendent, access to or from a municipal road shall not be permitted where it would be:
 - (i) less than 150 metres (492 feet) from an existing access on the same side of the road;
 - (ii) less than 150 metres (492 feet) from a bridge;
 - (iii) less than 150 metres (492 feet) from an at-grade railway crossing.
- (d) Separation between existing driveways/accesses located on all County arterial roads shall be considered prior to approval of any new subdivision or development permit proposed to access these roads.
- (e) On all County arterial roads and secondary roads, there shall be no more than three lots per section with direct driveway access to such roads.
- (f) No person shall erect any building or structure in any district unless such building or structure is set back from all roadways in accordance with the following roadway classifications and corresponding minimum setback distances:

| | |
|--|-----------------------------|
| Primary Highway/Secondary Road | 40 metres |
| Municipal Road | 30 metres |
| Internal Subdivision Road/Service Road | as per District regulations |

Those roads designated as Primary Highway, Secondary Road, and Municipal Road are identified on Schedule “B” of this By-law.

- (g) All developments may require a permit from Alberta Transportation or its successors.
- (h) Where a planting and/or establishment of trees adjacent to any municipal road for a shelterbelt, hedge or similar purpose is intended, a minimum setback of 8 metres (25 feet) from

the nearest property line of the roadway right-of-way shall be required.

- (i) Municipal road setbacks shall not apply to portable storage granaries located along a municipal road unless the portable storage granaries are located within a curve or near an intersection.

14. MOVED-IN BUILDINGS

- (a) All moved-in buildings are to be considered as discretionary uses. Any of these buildings that are to be used on a site as a principal or accessory use shall require an application for a development permit. The application shall:
 - (i) provide photographs of the building showing each elevation and the general condition of the building;
 - (ii) state the present location and use of the building.
- (b) The Development Authority may require the applicant to provide a performance bond to ensure completion of any renovations set as a condition of approval of a development permit for a moved-in building.

15. ILLUMINATION

- (a) Any outdoor lighting for any development shall be located and arranged so that no direct rays of light are directed at any adjoining properties, interfere with the use and enjoyment of neighbouring lands, or interfere with the effectiveness of any traffic control devices. Lighting fixtures, which are not public uses and which are designed for exterior illumination, shall be installed with the light directed and deflected away from public roads.
- (b) Lighted fixtures that are not for public purposes shall not be more than 9.0 metres (30 feet) above finished grade.

16. LANDSCAPING AND SITE DESIGN

- (a) In addition to Section 2(7)(f) regarding site plan submissions, a more detailed landscape plan shall be required for a required landscape area in excess of 500 M² (5,385 ft²) on multi-family residential (three dwelling units or more), commercial, industrial, and institutional sites. For required landscaped areas less than 500 M² and for residential sites with *less than three* dwelling units, the applicant may incorporate the required information on the site plan in accordance with Section 2(7)(f). The detailed landscape plan and site plan shall include adjacent boulevards and reserve lands, and shall provide the following information:
 - (i) common botanical names;
 - (ii) location of trees and shrubs;
 - (iii) number of trees and shrubs;
 - (iv) landscape details specifying the mixture of coniferous and deciduous trees and shrubs designed to provide landscape enhancement for year round effect; and
 - (v) required landscaped areas not covered by seed/sod which may include, in combination with shrubs/flowers, any or all of the following:

- a. Mulch Beds consisting of landscaping fabric and mulch with a minimum depth of 5 cm (1.97 in);
 - b. Rip-Rap” Rock Beds consisting of landscaping fabric and rock with a diameter of not less than 10 cm (3.94 in);
 - c. “Crushed Rock” consisting of landscaping fabric and rock with a diameter of 2.5 cm (0.98 in) or less;
 - d. Paving Stones/Stamped Asphalt or Concrete for walkways, outdoor eating areas, and parking lots may be considered for up to 50% of the required landscaped area; or
 - e. Raised Planters constructed with concrete, concrete blocks or wood with a height of not less than 0.6m or flower boxes attached to the building/structure.
- (b) The Development Authority may require that the landscape plan be prepared by a landscape architect or technologist;
- (c) Any portion of a site area not occupied by buildings, driveways, loading areas, or parking areas shall be landscaped or maintained in its natural state;
- (d) All landscaped areas shall be designed to facilitate effective surface drainage;
- (e) Trees shall be provided at the rate determined by the Development Authority, but shall not exceed one tree for every 50m² of the required landscaped area. A minimum of one coniferous tree shall be planted for every two deciduous trees. Shrubs shall be provided at the rate determined by the Development Authority, but shall not exceed four shrubs for every 100m² of the required landscaped area. A minimum of one coniferous shrub shall be planted for every two deciduous shrubs. Minimum tree size specifications at the time of planting shall be:
 - (i) Coniferous – 1.8m high;
 - (ii) Deciduous – 5 cm Calliper at 0.45m above ground level;
 - (iii) Coniferous shrubs – 0.35m high; and
 - (iv) Deciduous shrubs – 0.6m high.
- (f) Notwithstanding anything to the contrary in Section 3(16)(e), multi-family residential sites may be landscaped as follows:
 - (i) 10% of the area with one tree/50m² and four shrubs/100m²; and,
 - (ii) Balance of the site not covered by buildings or parking with one tree or four shrubs/150m².
- (g) All plants used shall be listed in the Alberta Horticultural Guide and shall be tolerant to Zone 2B and to specific site location factors (i.e. sun, excessive wind, shade, road salt).
- (h) If a landscaped area is required adjacent to a boulevard, the tree species and planting shall be similar to, or complement, the boulevard trees.
- (i) Notwithstanding anything to the contrary in Section 3(16)(e), if a landscaped screening buffer

is required adjacent to a residential use, the landscaped buffer:

- (i) shall be a minimum of 4.5m in width;
 - (ii) shall include a mix of deciduous and coniferous trees with at least 60% of these trees being coniferous;
 - (iii) shall include trees which are at least 6m high at maturity; and
 - (iv) may include shrubs in addition to trees provided that the shrubs are at least 1.8m high at maturity.
- (j) An at grade, off street parking lot sized to accommodate more than 25 vehicles shall provide dispersed landscaped areas within the interior of the parking area to give visual relief and break up large areas of parking into smaller cells. The landscaping treatment shall be in the form of:
- (i) landscaped islands;
 - (ii) tree lines separating facing rows of parking stalls; or
 - (iii) some combination of forms.
- (k) Perimeter landscaping is required within required front yards and, in the cases of corner lots and through lots, within the yards located adjacent to the other roadways in all multi-family residential, commercial and industrial districts along a public roadway (other than a lane) or adjacent to a public use site. The landscape area shall be at least 3 metres wide, and:
- (i) Deciduous trees, shall be planted at regular intervals;
 - (ii) Coniferous trees, shall be planted in clusters of three;
 - (iii) All trees must be at least 1.8m from the property line and at least 6 m high at maturity.
- (l) The applicant shall, as a condition of development permit approval, provide to the County either cash or an irrevocable Letter of Credit equal to 100% of the estimated landscaping costs. The amount shall be based on the average of up to three quotes or the costs estimated by the Development Authority and shall include the costs of the following items:
- (i) Rough grading of landscaped area;
 - (ii) Minimum of 10cm of topsoil and sod/seed;
 - (iii) Cost of trees/shrubs; and,
 - (iv) Minimum of 15 cm of concrete or wooden curbing separating landscaped areas and parking areas.
- (m) Pursuant to Section 3(16)(l), the conditions of security shall be:
- (i) 50% of the cash or Letter of Credit to be released upon issuance of a construction completion certificate with respect to the landscaping;
 - (ii) The balance of the cash or Letter of Credit to be released as provided in Section 3(16)(n);
 - (iii) If a tree does not survive the maintenance period, the applicant shall replace it with a

- tree of similar size and type; and,
- (iv) If the landscaping is not completed within two years of the date the development permit is issued, then the cash or proceeds of the Letter of Credit shall be used by the County to undertake the landscaping. If such amount shall be insufficient to cover the cost of the work the deficiency shall be a debt due from the developer to the County.
- (n) The cash or Letter of Credit shall be released to the developer, upon written request, once an inspection of the site demonstrates to the satisfaction of the Development Authority that the landscaping has been well maintained and is in a healthy condition one growing season after completion of the landscaping. The inspection shall take place within four weeks of the date of the written request.

17. DESIGN, CHARACTER AND APPEARANCE OF BUILDINGS AND STRUCTURES

- (a) The quality of exterior treatment and design of all buildings, where development permit approval is required, shall be to the satisfaction of the Development Authority.
- (b) Pursuant to Section 3(17)(a), the Development Authority may consider the following when reviewing development proposals in all Districts:
 - (i) the design, character and appearance of all buildings with respect to their compatibility with any other buildings existing in the vicinity;
 - (ii) the exterior materials to be used to reduce the risks of wildfire damage (Fire Smart); and
 - (iii) the design of the building must be consistent with the purpose of the Land Use District in which it is located.

18. SIGNS

- (a) A Development Permit shall be required for all signs.
- (b) No sign of an advertising, directional or information nature shall be erected on land or affixed to any exterior surface of any building or structure unless the Development Authority has approved an application for this purpose.
- (c) The applicant for a development permit for a sign shall in no case proceed with the construction, erection, alteration or relocation of such sign until the details, as herein before provided, have been approved and the development permit granted.
- (d) Signs may also require a permit from Alberta Transportation.
- (e) Notwithstanding the provisions of subsections 3(18)(a) to 3(18)(d) inclusive in this section, the following signs may be erected on land or affixed to the exterior surface of a building or structure without a development permit provided that the sign is not illuminated and that any necessary permits have been obtained from Alberta Infrastructure in accordance with the

Highway Development Control Regulations.

- (i) Temporary political signs, real estate signs, signs announcing any local event of a religious, educational, recreational, or cultural nature, or similar signs of a temporary character not exceeding 1.8 square metres (20 sq. ft.) and limited to one sign per parcel. Any temporary sign installed on a property shall be removed within fourteen (14) days of the termination of the event for which the signs are erected, by the owner of the signs or the owner of the property on which the sign is erected. The Development Officer may have such signs removed or destroyed after the 14-day timeframe.
- (ii) Advertisements or signs in relation to the function of local authorities, utility boards or other public or quasi-public bodies.
- (iii) Signs stating the name of any architectural firm, the names of contractors and suppliers, as well as signs advertising the future use of a building may be erected on the site where that building is under construction, and shall be removed immediately after any portion of the said building is occupied.

19. PARKING REQUIREMENTS

- (a) The Development Authority shall require all proponents of development to provide off-street parking and loading facilities in accordance with the location and scale of development proposed. Parking stalls for specific uses shall be provided as listed below in Table 3-1, unless otherwise specified in this Bylaw. For those uses not specifically identified, the Development Authority shall impose such parking standards as deemed appropriate to those specific cases.
- (b) Any parking space or any loading space provided shall be developed and surfaced to the satisfaction of the Development Officer(s) within 12 months of the completion of the development for which the development permit was issued.
- (c) When a building requires parking or loading spaces, the owner of the building shall provide the required parking and loading spaces at or before the time of occupancy of the building.
- (d) Parking areas that are intended for public use shall only be used for the temporary parking of motor vehicles and shall not be used for extended storage of motor vehicles.
- (e) The Development Authority may refuse to grant a development permit to an applicant not fully complying with parking requirements.
- (f) All parking stalls and loading spaces required by this Bylaw shall be located on the same site as the use requiring them, subject to setback and yard requirements.
- (g) All parking spaces, loading spaces, manoeuvring aisles and driveways shall be surfaced and maintained to the satisfaction of the Development Authority.

- (h) Driveways intended for two-way vehicle movements shall be at least 9 metres wide.
- (i) Manoeuvring aisles and fire lanes shall be at least 7 metres wide.
- (j) Parking stall dimensions shall be 3 metres wide and 6 metres in depth for parking areas with 25 parking stalls or less.
- (k) For parking areas that contain more than 25 parking stalls, the minimum parking stall dimensions may be reduced to no less than 2.7 metres wide and 5.4 metres in depth.
- (l) Driveway widths for residential front yard parking stalls shall not exceed 40% of the total lot frontage at the property line, but in no case shall be less than three (3) metres wide.
- (m) All residential uses shall provide two (2) parking stalls per residential unit unless otherwise specified in this Bylaw.
- (n) Where the calculation of the required number of parking stalls or loading spaces results in a fraction number of parking spaces, the next higher number shall be applied (e.g. if 2.1 parking stalls are calculated, 3 parking stalls are required).
- (o) Parking stall requirements for uses other than those set out in this Section shall be determined by the Development Authority, having regard to similar uses for which specific parking stall requirements are set. To facilitate the determination of parking requirements, a parking assessment prepared to a professional standard acceptable to the Development Officer, may be required to document the parking demand and supply characteristics associated with the proposed development. The County shall not be bound by any recommendations of such a parking assessment.
- (p) If a development falls within two or more of the categories listed in this Section, it shall comply with all parking regulations applicable to all of the categories.

20. LOADING FACILITIES

- (a) A loading space shall be designed and located so that all vehicles using that space can be parked and manoeuvred entirely within the bounds of the site before moving onto adjacent streets.
- (b) A loading space shall be a minimum width of 3 metres and minimum depth of 9 metres and maintain a minimum overhead clearance of 4.3 metres.
- (c) The Development Authority, having regard to the types of vehicles that are likely to use the loading space, may change minimum loading space dimensions.
- (d) Loading space requirements shall be determined by the Development Authority.

21. CORNER SITES (SIGHT TRIANGLES)

No person on a corner site in any Hamlet Residential District, Rural Residential District, Rural Estate District, or Country Residential District shall erect, place or maintain, within a triangle formed by the boundaries of the site common with the streets abutting them and a straight line connecting points on each of the said boundaries a distance 7.6 metres from the point where they intersect, a wall, fence, shrub, trees, hedge or any object over 1 metre in height above the lowest street grade adjacent to the intersection (see diagram).

22. RELIGIOUS ASSEMBLY/PLACES OF WORSHIP (CHURCHES)

- (a) The site upon which a religious assembly is situated shall have frontage of not less than thirty (30) metres and an area of not less than 929 square metres.
- (b) In the case where a manse, rectory, parsonage or other building that is accessory to a religious assembly (eg. A minister's residence), is to be erected on the same site as the place of worship, the combined area of the site shall not be less than 1858 square metres (20,000 square feet).
- (c) The front, side and rear yard setbacks in the case of a religious assembly site shall be those permitted within the district in which such site is located.

23. MANUFACTURED HOMES

- (a) In those districts where manufactured homes are identified as a permitted or discretionary use, these homes must be placed either on screw piles and shall be skirted with material similar in design and material to the rest of the structure, or on a permanent concrete foundation.

- (b) Manufactured homes may be permitted for temporary periods not exceeding a one-year period where it is to be used as a temporary dwelling while a main building on the property is actually under construction.
- (c) Where a person proposes to extend the temporary period beyond the time set out in the permit, he shall not later than sixty days prior to the day on which the development permit will cease to be in effect make written application to the Development Authority for renewal of the permit setting forth the reasons therefore.

24. DUGOUTS

All dugouts shall be set back a minimum of thirty (30) metres from any lot line.

25. WASTEWATER TREATMENT FACILITIES

- (a) The subdivision of land for a residential use, school, hospital or food establishment will not be permitted within 300 metres of an operating wastewater treatment plant.
- (b) Development permits of schools, hospitals, food establishments or a residential use will not be approved within 300 metres of an operating wastewater treatment facility.
- (c) The subdivision of land for a wastewater treatment facility will not be permitted within 300 metres of any school, hospital, food establishment or a residential use.
- (d) A development permit for a wastewater treatment facility will not approved within in 300 metres of any school, hospital, food establishment or residence.

26. LANDFILL AND WASTE SITES

The subdivision of land for a residential use, school, hospital or food establishment will not be permitted within 450 metres of an operating landfill or hazardous waste management facility or dry waste site.

Development permits for schools, hospitals, food establishments or any residential use will not be approved within 450 metres of an operating landfill or hazardous waste management facility or dry waste site.

The subdivision of land for a landfill, hazardous waste management facility or dry waste site will not permitted within 450 metres of any residential use, school, hospital or food establishment.

A development permit for a landfill, hazardous waste management facility or dry waste site will not be approved within 450 metres of any residential use, school, hospital or food establishment.

27. METRIC (IMPERIAL) MEASURE

Where imperial measure is identified in this By-law, it is for reference only for the convenience of the reader. For any conflict between metric measure and imperial measure as contained in this By-law, metric measure shall take precedence and be considered the accurate standard by which to assess District Requirements.

SECTION 4: AGRICULTURAL (AG) DISTRICT

1. PURPOSE

This district is intended to cover the majority of land in the municipality in order to recognize agriculture as the predominant land use in the County.

2. USES

No person shall use any lot or erect or use any building or structure for any purpose except one or more of the following.

Permitted Uses

- (a) Agricultural Operations

Discretionary Uses

- (a) Abandoned Farmsteads
- (b) Abattoir

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to development in this district.

Farmsteads

| | |
|---------------------|-----------------|
| Minimum Lot Area: | 2 ha (5 acres) |
| Maximum Lot Area: | 6 ha (15 acres) |
| Minimum Side Yard: | 30 metres |
| Minimum Rear Yard: | 30 metres |
| Minimum Front Yard: | 30 metres |

All Other Uses except Public and Institutional Uses, Accessory Buildings and Structures, and Farm Buildings

| | |
|----------------------|--|
| Minimum Lot Area: | 58 ha |
| Maximum Lot Area: | At the discretion of the Development Authority |
| Maximum Lot Density: | At the discretion of the Development Authority |
| Minimum Front Yard: | 30 metres |
| Minimum Side Yard: | 30 metres |
| Minimum Rear yard: | 30 metres |

4. SPECIAL REQUIREMENT: PUBLIC USES AND INSTITUTIONAL USES

District requirements for parks, and public and institutional uses, including public sewage and water treatment facilities, public landfill sites, and other similar public uses, shall be at the discretion of the Development Authority.

5. SPECIAL REQUIREMENT: CROWN LAND

Proposed development on Crown land needing a development permit may require authorization or lease arrangements from the appropriate provincial department before issuance of a development permit is considered by the County of Grande Prairie No. 1.

6. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS AND STRUCTURES AND FARM BUILDINGS

All accessory buildings and structures and farm buildings shall be set back a minimum distance of 30 m (100 feet) from the front lot line and 15 m (50 feet) from all other lot lines.

7. SPECIAL REQUIREMENT: CLUSTERED FARM DWELLINGS

Clustered farm dwellings may be allowed, provided that the Development Authority is satisfied that provision has been made for water supply, sewage disposal, and power to serve all of the dwelling units. The Development Authority may also limit the number of units, and place restrictions on the building size and construction.

8. SPECIAL REQUIREMENTS: FARMSTEADS, ABANDONED FARMSTEADS AND FRAGMENTED PARCELS

On any parcel created for farmsteads, abandoned farmsteads or fragmented parcels, minor agricultural pursuits may be allowed, subject to the provisions of Section 5 of the bylaw.

9. SPECIAL REQUIREMENTS: AGRICULTURAL INDUSTRIES

Agricultural industrial uses are subordinate to the predominant use of the land for agricultural production. The subdivision of land for small-scale industrial uses shall not be allowed. Industrial uses requiring separate title to a property shall be rezoned to an appropriate industrial district prior to subdivision.

10. SPECIAL REQUIREMENT: MAXIMUM PARCEL DENSITY

The maximum number of parcels that will be allowed to be subdivided from a quarter section without rezoning shall be one (1) plus the balance of the quarter section for any or all of the following reasons: farmsteads, abandoned farmsteads, and fragmented parcels. Parcels created for a public use or an institutional use will be exempted from the density calculation. Those parcels subdivided in accordance with this special requirement may later be appropriately zoned by the County as part of regular reviews and updates of the Land Use Bylaw.

11. SPECIAL REQUIREMENTS: HOME OCCUPATION-AGRICULTURAL

A home occupation-agricultural shall comply with the following:

- (a) The workplace may be used by no more than two non-resident employees,
- (b) There shall be no generation of vehicular traffic or parking in excess of that which is, in the opinion of the Development Officer, characteristic of the Agricultural district in which it is located,
- (c) Outdoor storage is at the discretion of the Development Officer,
- (d) No more than 3 commercial vehicles to be used in conjunction with the home occupation shall be parked or maintained on the site,
- (e) Any interior or exterior alterations or additions to accommodate the home occupation may be allowed at the discretion of the Development Officer.

SECTION 5: SPECIAL PROVISIONS FOR COUNTRY RESIDENTIAL DISTRICTS

In addition to the General Provisions for all districts outlined in Section 3 and the specific district requirements in each district, the following special provisions will apply to all country residential districts.

1. “MINOR AGRICULTURAL PURSUITS”

Minor agricultural pursuits will only be allowed in the following districts: CR-2, CR-4, CR-5 and in conformity with the following:

- (a) Livestock shall be limited to no more than one horse and foal 6 months of age or younger per acre or part thereof, to a maximum of three horses.

2. “MAJOR HOME OCCUPATIONS”

Any major home occupations located in any country residential district shall comply with the following:

- (a) The dwelling unit, when used as a workplace, shall be limited to no more than two non-resident employees.
- (b) The maximum number of business visits per day shall be 8 visits.
- (c) Any outdoor activity or storage shall be at the discretion of the Development Officer.
- (d) Any interior or exterior alterations or additions to accommodate the major home occupation shall be at the discretion of the Development Officer.

3. VEHICULAR PARKING

Not more than one commercial vehicle up to 5000 KG Gross Vehicle Weight, shall be parked or maintained on any lot in a country residential district. All vehicles must be parked on the lot. No on-road parking will be allowed.

4. SITE DEVELOPMENT FOR FIRE PREVENTION

Prior to issuance of a development permit, proponents may submit a “Fire Prevention Site Plan” to the County’s Fire Prevention Office for comment to allow proponents to improve the safety of new housing in the County to better protect residents from potential forest fires. For example, cedar shakes may not be a suitable roofing material in all parts of the County and would therefore not be recommended in some cases. In addition, it may be prudent for new homes to be setback at least 30 metres from all existing trees and shrubs.

SECTION 6: COUNTRY RESIDENTIAL (CR-1) DISTRICT

1. PURPOSE

The purpose of this district is to provide a residential district where the primary use is single dwelling units with limited additional uses. Building restrictions may be imposed.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Dwelling Unit, Single Detached (one/lot)
- (b) Garage (one/lot)
- (c) Utilities

Discretionary Uses

- (a) Accessory Use
- (b) One Accessory Building or Structure (less than 100 m²)
- (c) Second Accessory Building
- (d) Modular Home
- (e) Park
- (f) Public Use
- (g) Sign

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3 and the Special Provisions for Country Residential Districts contained in Section 5, the following regulations shall apply to every development in the district.

| | |
|--|---|
| Minimum Lot Area: | 1.0 ha |
| Maximum Lot Area: | 4 ha |

| Minimum Landscaped Area: | 40% |

4. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS

No accessory building or structure shall exceed the height of the main structure.

SECTION 7: COUNTRY RESIDENTIAL (CR-2) DISTRICT

1. PURPOSE

The purpose of this district is to provide a residential district where the primary use is single dwelling units with limited additional uses.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Dwelling Unit, Single Detached (one/lot)
- (b) Garage (one/lot)
- (c) Utilities

Discretionary Uses

- (a) Accessory Use
- (b) Agricultural Pursuit, Minor
- (c) Home Occupation, Minor
- (d) Modular Home
- (e) Park
- (f) Public Use
- (g) One Accessory Building or Structure (less than 100 m²)
- (h) Second Accessory Building
- (i) Sign

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3 and the Special Provisions for Country Residential Districts contained in Section 5, the following regulations shall apply to every development in the district.

| | |
|--|---|
| Minimum Lot Area: | 1.0 ha |
| Maximum Lot Area: | 4 ha |
| Maximum Lot Density Per Quarter Section: | Discretion of the Development Authority |
| Minimum Lot Width: | 60 metres |

| Minimum Exterior Side Yard: | 7.0 metres |
| Maximum Building Height: | 10.5 Metres |
| Minimum Landscaped Area: | 40% |

4. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS

No accessory building or structure shall exceed the height of the main structure.

SECTION 8: COUNTRY RESIDENTIAL (CR-3) DISTRICT

1. PURPOSE

The purpose of this district is to provide a residential district that can accommodate a variety of housing styles and accessory uses and buildings but excludes minor agricultural pursuits.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Dwelling Unit, Single Detached (one/lot)
- (b) Garage (one/lot)
- (c) Utilities

Discretionary Uses

- (a) Accessory Use
- (b) Agricultural Pursuit, Minor
- (c) Home Occupation, Minor
- (d) Manufactured Home
- (e) Modular Home
- (f) Park
- (g) Public Use
- (h) One accessory building or structure (less than 100 m²)
- (i) Second Accessory Building
- (j) Sign

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3 and the Special Provisions for Country Residential Districts contained in Section 5, the following regulations shall apply to every development in this district.

| | |
|--|---|
| Minimum Lot Area: | 1.0 ha |
| Maximum Lot Area: | 4 ha |
| Maximum Lot Density Per Quarter Section: | Discretion of the Development Authority |
| Minimum Lot Width: | 60 metres |
| Maximum Lot Length to Lot Width Ratio: | 6:1 |

| Minimum Interior Side Yard: | 3 metres |
| Minimum Exterior Side Yard: | 7.0 metres |
| Maximum Building Height: | 10.5 Metres |
| Minimum Landscaped Area: | 40% |

4. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS

No accessory building or structure shall exceed the height of the main structure.

SECTION 9: COUNTRY RESIDENTIAL (CR-4) DISTRICT

1. PURPOSE

The purpose of this district is to provide a residential district where a wide variety of single detached dwelling units are allowed along with an expanded range of accessory buildings and uses and minor agricultural pursuits.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Dwelling Unit, Single Detached (one / lot)
- (b) Garage (one/lot)
- (c) Utilities

Discretionary Uses

- (a) Agricultural Pursuit, Minor
- (b) Home Occupation, Major
- (c) Home Occupation, Minor
- (d) Manufactured Home
- (e) Modular Home
- (f) Park
- (g) Public Use
- (h) One accessory building or structure (less than 100 m²)
- (i) Second Accessory Building
- (j) Sign

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3 and the Special Provisions for Country Residential Districts contained in Section 5, the following regulations shall apply to every development in this district.

| | |
|--|-------------------------------------|
| Minimum Lot Area: | 1.0 ha |

| Minimum Exterior Side Yard: | 7.0 metres |
| Maximum Building Height: | 10.5 Metres |
| Minimum Landscaped Area: | 40% |

4. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS

No accessory building or structure shall exceed the height of the main structure.

SECTION 10: COUNTRY RESIDENTIAL (CR-5) DISTRICT

1. PURPOSE

The purpose of this district is to provide a residential district in which major home - based businesses will co-exist with residential uses on larger parcels of land.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Dwelling Unit, Single Detached (one / lot)
- (b) Garage (one / lot)
- (c) Utilities

Discretionary Uses

- (a) Accessory Use
- (b) Agricultural Pursuit, Major
- (c) Agricultural Pursuit, Minor

- (e) Bulk Fuel and Chemical Storage
- (f) Grain Elevator
- (g) Manufacturing Firm
- (h) Park
- (i) Public Use
- (j) Railroad Yard
- (k) Residential Dwelling accessory to the Principal Industrial Use
- (l) Sign
- (m) Storage, Indoor
- (n) Storage, Outdoor
- (o) Warehouse
- (p) Office or Office Building

3. DISTRICT REQUIREMENTS

No person shall use any lot or erect, alter or use any building or structure except in accordance with the following provisions:

| | |
|-----------------------|---|
| Minimum Lot Area: | Fully serviced lots: 929 m ² |
| | Un-serviced lots: 1858 m ² |
| Minimum Lot Width: | 30 metres |
| Minimum Front Yard: | 7.5 metres |
| Minimum Rear Yard: | 7.5 metres |
| Minimum Side Yard: | Discretion of the Development Authority |
| Maximum Lot Coverage: | 50% |

4. SPECIAL REQUIREMENT: ACCESSORY BUILDINGS

No accessory building or structure shall be erected in any yard other than an interior side yard or rear yard and shall be no closer than one (1) metre to any lot line.

5. SPECIAL REQUIREMENT: SCREENING AND FENCING

- (a) All sites abutting a residential district shall be screened from view of residential district to the satisfaction of the Development Authority.
- (b) Outside storage areas, parking area and equipment storage areas shall be screened to the satisfaction of the Development Authority.

6. SPECIAL REQUIREMENT: LANDSCAPING

All sites abutting a residential district or facing a public highway shall provide a minimum of ten percent of the site area in the form of landscaping (including the provision of mature trees) to the satisfaction of the Development Authority.

SECTION 23: RURAL LIGHT INDUSTRIAL (RM-1) DISTRICT

1. PURPOSE

The purpose of this district is to provide an industrial district that reflects both a rural and urban approach to industrial development. It may be serviced, but is generally characterised by large lots; individual private services; low building to site ratio; large open storage areas; and uses that may be compatible with an urban area, if appropriate buffering and screening is provided around these industrial uses. This district will be used to spot zone individual rural parcels throughout the County, but is primarily to be used to pre-zone new industrial parks in urban or quasi-urban settings. It is generally not intended for application to industrial parks that exist at the time of adoption of this Bylaw.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Agricultural Machinery/Equipment Sales and Service
- (b) Agricultural Service and Supply Establishment
- (c) Auction Mart (Auctioneering Services)
- (d) Auction Room
- (e) Automobile Supply Store
- (f) Contracting Services, Minor
- (g) Data Processing Establishment
- (h) Dry Cleaning and Laundry Depot
- (i) Dry Cleaning Establishment
- (j) Duplicating Shop
- (k) Equipment Rental/Repair
- (l) Industry/Manufacturing, Small Scale
- (m) Utilities
- (n) Vehicle Wash

Discretionary Uses

- (a) Accessory Buildings, Structures, and Uses
- (b) Agricultural Processing
- (c) Automobile Repair Garage
- (d) Automobile Service Station
- (e)** Automobile, Truck, and Recreation Vehicle Storage
- (f) Automotive/Recreation Vehicle Sales and Rental

- (g) Bank/Financial Institution
- (h) Building Supply Outlet
- (i) Bulk Sales Establishment
- (j) Communication Tower
- (k) Construction Yard
- (l) Contracting Services, Major
- (m) Convenience Food Store
- (n) Dry Cleaning and Laundry Plant
- (o) Dugouts
- (p) Eating Establishment
- (q) Electrical and Electronic Products Industry
- (r) Electricity Production
- (s) Food and/or Beverage Service Facility
- (t) Gas Bar
- (u) Kennel
- (v) Laundromat
- (w) Nursery and Garden Store
- (x) Offices accessory to the principal industrial use of the land or building
- (y) Oilfield Support Services
- (z) Pharmacy
- (aa) Printing Establishment
- (bb) Public Uses
- (cc) Railroad Yard
- (dd) Recreation Facility, Commercial
- (ee) Research Facility
- (ff) Signs
- (gg) Storage, Indoor
- (hh) Storage, Outdoor
- (ii) Taxi Establishment
- (jj) Transport/Truck Operation
- (kk) Truck and Manufactured Home Sales and Rental
- (ll) Veterinary Clinic
- (mm) Warehouse
- (nn) Office or Office Building

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | <u>Serviced</u> | <u>Un-serviced</u> |
|-----------------------------|---|-----------------------|
| Minimum Lot Area: | 4,000 m ² | 10,000 m ² |
| Minimum Lot Width: | 30 metres | 40 metres |
| Minimum Front Yard: | 10 metres | 15 metres |
| Minimum Rear Yard: | 7.5 metres | 7.5 metres |
| Minimum Interior Side Yard: | 8.0 metres | 15 metres |
| Minimum Exterior Side Yard: | 20 metres | 20 metres |
| Maximum Building Height: | At the discretion of the Development Authority. | |
| Maximum Lot Coverage: | 50% | 40% |
| Minimum Landscaped Area: | 10% | 10% |

4. SPECIAL REQUIREMENTS: SIGNS

A single park entrance or directional sign may be permitted at the entrance of an industrial park indicating the name and location of the park. Other requirements for signs shall be determined at the discretion of the Development Authority.

5. SPECIAL REQUIREMENTS: LANDSCAPING

Further to the landscape requirements contained in Section 3 – General Regulations, landscaping shall be determined as follows:

- (a) A **buffer** strip of 30 metres shall be provided along any boundary of this district that is immediately adjacent to a primary or secondary highway or watercourse as well as any Land Use District other than the AG, RM, RM-1, RM-2, RM-3, and RM-4 Land Use Districts. This buffer strip shall be provided on private lands unless an alternative has been provided as part of the subdivision review process and is acceptable to the Development Authority.
- (b) The minimum landscaped area shall be concentrated in the front yards, but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.
- (c) Any additional landscaping requirements shall be to the satisfaction of the Development Authority.

6. SPECIAL REQUIREMENT: SITE PLANS AND DEVELOPMENT AGREEMENTS

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information identified on 'Form A' and in Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

7. SPECIAL REQUIREMENT: OUTDOOR STORAGE REQUIREMENTS

- (a) All outdoor storage areas shall be appropriately fenced and should be concealed from view from the street by the fence or other suitable screening to the satisfaction of the Development Authority.
- (b) All storage sites abutting residential districts shall be screened from view of the residential district to the satisfaction of the Development Authority.
- (c) All outdoor storage shall be located only to the rear of the main building and shall not be located in the front or exterior side yard.
- (d) All outdoor storage shall be accessory to the main use of the land or main building on the site and shall comply with the yard and setback requirements of this Section.

SECTION 24: RURAL MEDIUM INDUSTRIAL (RM-2) DISTRICT

1. PURPOSE

This district is to provide areas for industries and businesses that require larger open storage areas and/or may create a nuisance by reason of noise, smell, appearance but are generally not considered to be hazardous. This District will generally be applied to industrial areas that existed as of the date of adoption of this By-law and may be used to spot zone uses within new industrial areas or to zone parts of new industrial areas.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Any Uses Permitted in the RM-1 District

Discretionary Uses

- (a) Abattoir
- (b) Accessory Buildings, Structures, and Uses
- (c) Agricultural Processing
- (d) Agricultural Supply Depot
- (e) Automotive/Recreation Vehicle Sales and Rental
- (f) Automobile Repair Garage
- (g) Automobile Service Station
- (h) Automobile, Truck, and Recreational Vehicle Storage
- (i) Bank/Financial Institution
- (j) Bottled Gas, Sales and Storage
- (k) Building Supply Outlet
- (l) Bulk Sales Establishment
- (m) Commercial Fertilizer Supply
- (n) Commercial Recreation Facility
- (o) Communication Tower
- (p) Construction Yard
- (q) Contracting Services, Major
- (r) Convenience Food Store
- (s) Drive-through Restaurant

- (t) Dry Cleaning and Laundry Plant
- (u) Dugouts
- (v) Eating Establishment
- (w) Electricity Production
- (x) Electrical and Electronic Products Industry
- (y) Feed Mills
- (z) Food and/or Beverage Service Facility
- (aa) Food Processing Plant
- (bb) Gas Bar
- (cc) Grain Elevators
- (dd) Greenhouse, Commercial
- (ee) Heavy Equipment Sales, Service, Storage and Rentals
- (ff) Kennel
- (gg) Laboratory
- (hh)
- (ii) Oilfield Support Services
- (jj) Pharmaceutical and Medical Products Industry
- (kk) Pharmacy
- (ll) Printing Establishment
- (mm) Printing, Reproduction and Data Processing Industry
- (nn) Public Uses
- (oo) Railroad Yard
- (pp) Research Facility
- (qq) Signs
- (rr) Storage, Indoor
- (ss) Storage, Outdoor
- (tt) Taxi Establishment
- (uu) Transport/Truck Operation
- (vv) Truck and Manufactured Home Sales and Rentals
- (ww) Truck Depot
- (xx) Utilities
- (yy) Veterinary Clinic
- (zz) Warehouse
- (aaa) Office or Office Building
- (bbb) Bulk Fuel and Chemical Storage
- (ccc) Aggregate Stockpiling, Temporary

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | <u>Municipal Serviced</u> | <u>Un-serviced</u> |
|--------------------------|---------------------------|-----------------------|
| Minimum Lot Area: | 4,000 m ² | 10,000 m ² |
| Minimum Lot Width: | 40 metres (131') | 65 metres |
| Minimum Front Yard: | 10 metres (32.8') | 15 metres |
| Minimum Rear Yard: | 8 metres (26.25') | 8 metres |
| Minimum Side Yard: | 8 metres (26.25') | 15 metres |
| Maximum Building Height: | 15 metres (49') | 15 metres |
| Maximum Lot Coverage: | 60% | 45% |
| Minimum Landscaped Area: | 5% | 5% |

4. SPECIAL REQUIREMENT: SITE PLANS AND DEVELOPMENT AGREEMENTS

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information identified on 'Form A' and in Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

5. SPECIAL REQUIREMENTS: PARKING AND ACCESS

Further to the parking requirements contained in Section 3 – General Regulations, all required parking shall be on site and the site plan shall clearly illustrate the parking and the traffic circulation on site as well as access to the site.

6. SPECIAL REQUIREMENT: LANDSCAPING

Further to the landscape requirements contained in Section 3 – General Regulations, landscaping shall be determined as follows:

- (a) A **buffer** strip of 30 metres shall be provided along any boundary of this district that is immediately adjacent to a primary or secondary highway or watercourse as well as any Land Use District other than the AG, RM, RM-1, RM-2, RM-3, and RM-4 Land Use Districts. This buffer strip shall be provided on private lands unless an alternative has been provided as part of the subdivision review process and is acceptable to the Development Authority.

- (b) The minimum landscaped area shall be concentrated in the front yards, but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.
- (c) Any additional landscaping requirements shall be to the satisfaction of the Development Authority.

7. SPECIAL REQUIREMENT: SIGNAGE

A single park entrance or directional sign may be permitted at the entrance of an industrial park indicating the name and location of the park. Other requirements for signs shall be determined at the discretion of the Development Authority.

8. SPECIAL REQUIREMENT: BUILDING SEPARATION

There shall be a minimum distance of 45 metres (150 feet) between all buildings within this District.

9. SPECIAL REQUIREMENT: OUTDOOR STORAGE REQUIREMENTS

- (a) All outdoor storage areas shall be appropriately fenced and may be required to be concealed from view from the street by the fence or other suitable screening.
- (b) All storage sites abutting residential districts shall be screened from view of the residential district to the satisfaction of the Development Authority.
- (c) All outdoor storage should be located only to the rear of the main building but may be located in the front or exterior side yard at the discretion of the Development Authority.
- (d) All outdoor storage shall be accessory to the main use of the land or main building on the site and shall comply with the yard and setback requirements of this Section.

SECTION 25: RURAL HEAVY INDUSTRIAL (RM-3 DISTRICT

1. PURPOSE

This district provides for the development of industries that are generally incompatible with most industrial, commercial or residential land uses in the County. The uses may require large land area, have large storage to building ratios and/or are incompatible due to noise, smell, appearance, the presence of hazardous or dangerous material or goods used or stored on site or the nature of the activity on site.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Any Uses Permitted in the RM-2 District
- (b) Abattoir
- (c) Agricultural Processing
- (d) Agricultural Supply Depot
- (e) Auto Body and Repair Shop
- (f) Automobile, Truck, and Recreational Vehicle Storage
- (g) Bulk Sales Establishment
- (h) Contracting Services, Major
- (i) Heavy Equipment Sales, Service, Storage, and Rentals
- (j) Industry/Manufacturing, Large Scale
- (k) Oilfield Support Services
- (l) Pharmaceutical and Medical Products Industry
- (m) Printing Establishment
- (n) Printing, Reproduction and Data Processing Industry
- (o) Research Facility
- (p) Transport/Truck Operation
- (q) Truck and Manufactured Home Sales and Rentals
- (r) Veterinary Clinic
- (s) Warehouse

Discretionary Uses

- (a) Accessory Buildings and Structures
- (b) Anhydrous Ammonia Storage
- (c) Asphalt processing and storage
- (d) Automobile Repair Garage
- (e) Auto Wrecker
- (f) Bottled Gas, Sales and Storage
- (g) Bulk Fuel and Chemical Storage
- (h) Commercial Fertilizer Supply
- (i) Concrete Manufacturing/Concrete Plant
- (j) Communication Tower
- (k) Construction Yard
- (l) Dry Cleaning and Laundry Plant
- (m) Dugouts
- (n) Eating Establishment
- (o) Electrical and Electronic Products Industry
- (p) Electricity Production
- (q) Explosives Storage and Distribution
- (r) Feed Mill
- (s) Food Processing Plant
- (t) Industry, Forest Based
- (u) Industry, Hazardous
- (v) Kennel
- (w) Laboratory
- (x)
- (y) Propane Transfer Facility
- (z) Public Uses

- (ee) Signs
- (ff) Storage, Indoor
- (gg) Storage, Outdoor
- (hh) Tanker Truck Washing Facility
- (ii) Truck Depot
- (jj) Office or Office Building

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | <u>Serviced</u> | <u>Un-serviced</u> |
|--------------------------|---|-----------------------|
| Minimum Lot Area: | 6,000 m ² | 10,000 m ² |
| Minimum Lot Width: | 50 metres | 90 metres |
| Minimum Front Yard: | 10 metres | 15 metres |
| Minimum Rear Yard: | 7.6 metres | 7.6 metres (25 feet) |
| Minimum Side Yard: | 7.6 metres | 15 metres (50 feet) |
| Maximum Height: | At the discretion of the Development Authority. | |
| Maximum Lot Coverage: | 65% | 50% |
| Minimum Landscaped Area: | 5% | 5% |

4. SPECIAL REQUIREMENTS: SIGNS

A single park entrance or directional sign may be permitted at the entrance of an industrial park indicating the name and location of the park. Other requirements for signs shall be determined at the discretion of the Development Authority.

5. SPECIAL REQUIREMENT: SITE PLANS AND DEVELOPMENT AGREEMENTS

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information required on 'Form A' and in Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

6. SPECIAL REQUIREMENTS: PARKING AND ACCESS

Further to the parking requirements in Section 3 – General Regulations, all required parking shall be on site and the site plan shall clearly illustrate the parking and the traffic circulation on site as well as access to the site.

7. SPECIAL REQUIREMENT: LANDSCAPING

Further to the landscape requirements contained in Section 3 – General Regulations, landscaping shall be determined as follows:

- (a) A **buffer** strip of 30 metres shall be provided along any boundary of this district that is immediately adjacent to a primary or secondary highway or watercourse as well as any Land Use District other than the AG, RM, RM-1, RM-2, RM-3, and RM-4 Land Use Districts. This buffer strip shall be provided on private lands unless an alternative has been provided as part of the subdivision review process and is acceptable to the Development Authority.
- (b) The minimum landscaped area shall be concentrated in the front yards, but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.
- (c) Any additional landscaping requirements shall be to the satisfaction of the Development Authority.

8. SPECIAL REQUIREMENTS: BUILDING SEPARATION

There shall be a minimum distance of 45 metres (150 feet) between all buildings within this District.

9. SPECIAL REQUIREMENT: OUTDOOR STORAGE REQUIREMENTS

- (a) All outdoor storage areas shall be appropriately fenced and should be concealed from view from the street by the fence or other suitable screening to the satisfaction of the Development Authority.
- (b) All storage sites abutting residential districts shall be screened from view of the residential district to the satisfaction of the Development Authority.
- (c) All outdoor storage shall be located only to the rear of the main building and shall not be located in the front or exterior side yard.
- (d) All outdoor storage shall be accessory to the main use of the land or main building on the site.

10. SPECIAL REQUIREMENT: STORAGE OF HAZARDOUS GOODS AND MATERIALS

The storage of hazardous goods and materials may be allowed within the district, at the discretion of the Development Authority. The storage of any hazardous material must be within a wholly enclosed building. All applications for development permits shall clearly indicate if any hazardous material is to be stored on site. The nature and quantity of the hazardous material must be identified. The Development Authority may establish special conditions to govern the safe storage of hazardous materials.

SECTION 26: HIGHWAY INDUSTRIAL (RM-4) DISTRICT

1. PURPOSE

The purpose of this district is to provide an industrial district that is located adjacent to a provincial highway and where the intention is to provide a higher level of design standards for properties fronting the highway.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Automotive/Recreation Vehicle Sales and Rental
- (b) Convenience Food Store
- (c) Gas Bar
- (d) Industry/Manufacturing, Small Scale
- (e) Utilities

Discretionary Uses

- (a) Accessory Buildings and Structures
- (b) Banks/Financial Institution
- (c) Caterer
- (d) Clinic
- (e) Data Processing Establishment
- (f) Day Care Facility
- (g) Drive-through Restaurant
- (h) Duplicating Shop
- (i) Eating Establishment
- (j) Equipment Rental/Repair
- (k) Farmers'/Flea Market
- (l) Food and/or Beverage Service Facility
- (m) Hotels
- (n) Motels
- (o) Offices accessory to the principal industrial use of the land or building
- (p) Office or Office Building
- (q) Oilfield Support Services
- (r) Printing Establishment
- (s) Public Uses
- (t) Recreation Facility, Commercial

- (u) Recreation Facility, Outdoor
- (v) Recreation Facility, Indoor
- (w) Restaurant
- (x) Retail Store
- (y) Signs
- (z) Storage, Outdoor
- (aa) Taxi Cab Establishment
- (bb) Theatre, Drive-In
- (cc) Truck Depot
- (dd) Transport / Truck Operation
- (ee) Truck Stop
- (ff) Vehicle Wash
- (gg) Veterinary Clinic
- (hh) Warehouse
- (ii) Warehouse Store
- (jj) Truck & Manufactured Home Sales and Rentals

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | <u>Serviced</u> | <u>Un-serviced</u> |
|---------------------------------------|---|-----------------------|
| Minimum Lot Area: | 4000 m ² | 10,000 m ² |
| Minimum Lot Width: | 20 metres | 50metres |
| Minimum Front and Exterior Side Yard: | | |
| (a) Provincial Highways: | 40 metres | 40 metres |
| (b) County Secondary Roads: | 30 metres | 30 metres |
| (c) All other roads: | 15 metres | 15 metres |
| Minimum Rear Yard: | 7.5 metres | 7.5 metres |
| Minimum Interior Side Yard: | 7.5 metres | 7.5 metres |
| Building Height: | Discretion of the Development Authority | |
| Maximum Lot Coverage: | 50% | 40% |
| Minimum Landscaped Area: | 10% | 10% |

4. SPECIAL REQUIREMENTS: LANDSCAPING

Landscaping shall comply with the general landscaping requirements of this Bylaw (Section 3.16) as well as the more specific requirements found in this Section. The focus of the landscaping shall be the front yard but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. In addition, all areas not covered by buildings and parking shall be landscaped. Barriers with a minimum height of 15 cm (6 inches) shall be used to protect the landscaping areas. All landscaping shall be identified on the site plan.

5. SPECIAL REQUIREMENT: BUILDING LOCATION AND FRONT YARD

Notwithstanding any other provision in this Bylaw, the yard of any lot abutting a highway shall be deemed to be the front yard. The front of all buildings should face the front yard. Where, in the opinion of the Development Authority, this is not possible or practical for the effective development of a site, those exterior walls of buildings that must face the highway shall have special facade treatment. This treatment shall be to the satisfaction of the Development Authority.

6. SPECIAL REQUIREMENT: SITE PLANS AND DEVELOPMENT AGREEMENTS

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information required on 'Form A' and in Section 2.7 of this Bylaw. In addition, the application shall include a rendering of the proposed development, a description of the external building material, colour of said material, and proposed fencing material. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

7. SPECIAL REQUIREMENT: STORAGE AREAS

- (a) All outdoor storage areas shall be appropriately fenced or screened and should be concealed from view from the street by the fence or other suitable screening. All sites abutting residential districts shall be screened from view of the residential district to the satisfaction of the Development Authority.
- (b) All outdoor storage shall be located only to the rear of the main building and shall not be located in the front or exterior side yard.
- (c) All outdoor storage shall be accessory to the main use of the land or main building on the site.

8. SPECIAL REQUIREMENT: PARKING AND ACCESS

Further to the parking requirements found in Section 3 – General Regulations, all required parking, circulation, and access areas shall be paved with a hard, durable, weather resistant surface. The Site Plan shall clearly illustrate the parking areas, spaces, and traffic circulation on site as well as access to the site.

9. SPECIAL REQUIREMENTS: SIGNS

In addition to the regulations governing signs found in Section 3, a single park entrance or directional sign may be permitted at the entrance of an industrial park indicating the name and location of the park. Other requirements for signs shall be determined at the discretion of the Development Authority.

10. SPECIAL REQUIREMENT: STORAGE OF HAZARDOUS GOODS AND MATERIALS

The storage of hazardous goods and materials may be allowed within the district. The storage of any hazardous material must be within a wholly enclosed building. All applications for development permits shall clearly indicate if any hazardous material is to be stored on site. The nature and quantity of the hazardous material must be identified. The Development Authority may establish special conditions to govern the safe storage of hazardous materials.

SECTION 27: EXTRACTIVE INDUSTRIAL (EX) DISTRICT

1. PURPOSE

This District is to provide primarily for long term mining of aggregates (sand and gravel) in the County.

2. USES

Permitted Uses

- (a) Accessory Uses, Buildings and Structures
- (b) Aggregate Facility
- (c) Aggregate Stockpiling
- (d) Aggregate Storage Area
- (e) Asphalt Processing and Storage
- (f) Concrete Manufacturing/Concrete Plant
- (g) Crushing Plant
- (h) Natural Resource Extraction Industry
- (i) Offices Accessory to the Principal Use of the Land or Building
- (j) Resource Extraction Operation

Discretionary Uses

- (a) Caretaker's Residence
- (b) Golf Course
- (c) Public Uses
- (d) Sign
- (e) Storage, Outdoor
- (f) Utilities
- (g) Vehicle Wash

3. DISTRICT REQUIREMENTS

| | |
|-------------------------------|--|
| Lot Area Minimum: | 1100 m ² |
| Lot Frontage Minimum: | 30 metres |
| Required Yards Minimum: | |
| (a) Front Yard Depth: | 18 metres |
| (b) Exterior Side Yard Width: | 18 metres |
| (c) Interior Side Yard Width: | 15 metres |
| (d) Rear Yard Depth: | 15 metres |
| Minimum Landscaped Area: | 10% |
| Open Storage: | Any part of any lot used as a permitted open storage area shall be fenced. |

4. SPECIAL REQUIREMENTS: LANDSCAPING

The focus of the landscaping shall be the front yard but additional landscaping shall include no less than a 10 metre *planting strip* along lot lines adjacent to public roads and other land use districts to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.

5. SPECIAL REQUIREMENT: SITE PLANS AND DEVELOPMENT AGREEMENTS

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information identified on 'Form A' and Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

SECTION 2: RURAL INDUSTRIAL – DIRECT CONTROL (RM-DC) DISTRICT

1. PURPOSE

The purpose of this district is to establish rules and regulations for industrial operations that have significant potential impacts on adjacent lands and land uses.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Discretionary Uses

- (a) Accessory Buildings and Structures
- (b) Communications Tower
- (c) Dugouts
- (d) Bulk Fuel and Chemical Storage
- (e) Caretaker's Residence
- (f) Electricity Production
- (g) Industry, Forest Based
- (h) Industry, Hazardous
- (i) Industry/Manufacturing, Large Scale
- (j) Industry, Petro Chemical
- (k) Industry/Manufacturing, Small Scale
- (l) Natural Resource Extraction Industry
- (m) Offices accessory to the principal industrial use of the land or building
- (n) Public Uses
- (o) Railroad Yard
- (p) Resource Extraction Operation
- (q) Sign
- (r) Storage, Outdoor
- (s) Temporary Work Camp (*Bylaw no.: 2680-05-040*)
- (t) Utilities

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | |
|--------------------------|---|
| Minimum Lot Area: | 4 ha |
| Minimum Lot Width: | 100 metres |
| Maximum Lot Density: | At the discretion of the Development Authority. |
| Minimum Front Yard: | 30 metres |
| Minimum Rear Yard: | 30 metres |
| Minimum Side Yard: | 30 metres |
| Maximum Height: | At the discretion of the Development Authority. |
| Minimum Landscaped Area: | 10% |

4. SPECIAL REQUIREMENT: BUILDING HEIGHT

Building height shall be at the discretion of the Development Authority.

5. SPECIAL REQUIREMENT: LANDSCAPING

Further to the landscaping requirements found in Section 3 – General Regulations, landscaping shall be a special requirement and shall be determined as follows:

- (a) A **buffer** strip of 30 metres shall be provided along any boundary of this district that is immediately adjacent to a primary or secondary highway or watercourse as well as any Land Use District other than the RM-1, RM-2, RM-3, and RM-4 Land Use Districts, as well as any other RM-DC District. This buffer strip shall be provided on private lands unless an alternative has been provided as part of the subdivision review process and is acceptable to the Development Authority.
- (b) The minimum landscaped area shall be concentrated in the front yards, but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.
- (c) Any additional landscaping requirements shall be to the satisfaction of the Development Authority.

6. SPECIAL REQUIREMENT: STORAGE AREAS

All storage, freight or trucking yards shall be enclosed or completely screened by buildings, trees, landscaping features or fences or a combination of all to the satisfaction of the Development Authority.

7. SPECIAL REQUIREMENT: SIGNAGE

A single entrance or direction sign may be permitted by the Development Authority.

SECTION 29: COMPREHENSIVE COMMERCIAL (CC) DISTRICT

1. PURPOSE

This district is to provide an area for a comprehensively designed and attractive mix of highway commercial, service commercial and general commercial uses located on high visibility highway/arterial road corridors and in other areas planned as major commercial centres as part of new community/neighbourhood development. Due to the intensity of commercial development anticipated, appropriate transitions are to be provided between these areas and residential development.

*Note Section 3(22) of this Bylaw.

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

| | <u>Serviced</u> | <u>Un-serviced</u> |
|--------------------------|--|-----------------------|
| Minimum Lot Area: | 2,000m ² | 10,000 m ² |
| Minimum Lot Width: | 30 metres | 38 metres |
| Minimum Front Yard: | 12 metres | 12 metres |
| Minimum Rear Yard: | 7.5 metres | 7.5 metres |
| Minimum Side Yard: | 3 metres | 3 metres |
| Building Height: | Discretion of the Development Authority. | |
| Maximum Lot Coverage: | 40% | 35% |
| Minimum Landscaped Area: | 10% | 10% |

4. SPECIAL REQUIREMENTS: LANDSCAPING

Landscaping shall be a special requirement and shall be determined as follows:

- (d) Landscaping shall comply with the general landscaping requirements of this Bylaw (Section 3.16) as well as the more specific requirements found in this Section.
- (b) All areas not covered by buildings and parking shall be landscaped. Protective barriers with a minimum height of 15 cm (6 inches) shall be placed around all landscaped areas.
- (c) The minimum landscaped area shall be concentrated in front yards, but additional landscaping may be required in other yards to separate uses or to provide buffers or screening from other uses or roads. All landscaping shall be identified on the site plan.
- (d) Any additional landscaping requirements shall be to the satisfaction of the Development Authority.

5. SPECIAL REQUIREMENT: STORAGE AREAS

All storage areas shall be appropriately fenced or screened. All sites abutting residential districts shall be screened from view of the residential district to the satisfaction of the Development Authority. All storage shall be accessory to the main use of the land or main building on the site and shall comply with the yard and setback requirements of this Section.

6. SPECIAL REQUIREMENTS: PARKING

Further to the parking requirements found in Section 3 – General Regulations, all required parking, circulation, and access areas shall be paved with a hard, durable, weather resistant surface.

7. SPECIAL REQUIREMENT: BUILDING LOCATION AND FRONT YARD

Notwithstanding any other provision in this Bylaw, the yard of any lot abutting a highway shall be deemed to be the front yard. The front of all buildings should face the front yard. Where, in the opinion of the Development Authority, this is not possible or practical for the effective development of a site, those exterior walls of buildings that must face the highway shall have special facade treatment. This treatment shall be to the satisfaction of the Development Authority.

8. SPECIAL REQUIREMENTS: SITE PLAN AND DEVELOPMENT AGREEMENT

All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information required on 'Form A' and Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

SECTION 30: GENERAL COMMERCIAL (GC) DISTRICT

1. PURPOSE

The purpose of this district is to provide for commercial development within a hamlet and other serviced residential communities.

2. USES

- (jj) Theatre
- (kk) Theatre, Movie
- (ll) Truck Stop
- (mm) Vehicle Wash

*Note Section 3(22) of this Bylaw.

3. DISTRICT REQUIREMENTS

No person shall use any lot or erect, alter or use any building or structure except in accordance with the following provisions:

| | | |
|--------------------------|--|--------------------|
| Minimum Lot Area: | Fully serviced Lots: | 230 m ² |
| | Existing Un-serviced Lots: | 230 m ² |
| Minimum Lot Width: | | 7.5 metres |
| Minimum Front Yard: | | 7.5 metres |
| Minimum Rear Yard: | | 7.5 metres |
| Minimum Side Yard: | None required except adjacent to residential districts whereby the side yard shall be a minimum of 3 metres or greater as required by the Development Authority. | |
| Building Height: | At the discretion of the Development Authority. | |
| Minimum Landscaped Area: | At the discretion of the Development Authority. | |
| Maximum Lot Coverage: | At the discretion of the Development Authority. | |

4. SPECIAL REQUIREMENTS

- (a) All sites abutting a residential district shall be screened from view of the residential district to the satisfaction of the Development Authority.
- (b) Outside storage areas shall be screened to the satisfaction of the Development Authority.
- (c) All applications for a development permit shall provide a detailed site plan for the proposed development. The site plan shall include all information required on 'Form A' and in Section 2.7 of this Bylaw. For those applications approved, the proponents shall enter into a Development Agreement with the County to ensure that the conditions of the Development Permit are fulfilled to the satisfaction of the County.

SECTION 31: LIMITED INSTITUTIONAL AND RECREATION (L-IR DISTRICT)

1. PURPOSE

This district is to provide zoning primarily for schools and institutional uses with limited recreation uses mostly within hamlets and other residential communities, but may be used for smaller isolated institutional sites in rural locations within the County.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Park
- (b) School, Elementary
- (c) School, Secondary

- (l) Senior Citizens' Complex
- (m) Caretaker's Residence

*Note Section 3(22) of this Bylaw.

3. DISTRICT REQUIREMENTS

The district requirements (lot area, yard requirements) shall be at the discretion of the Development Authority.

SECTION 32: INTENSIVE RECREATION (IR) DISTRICT

1. PURPOSE

The district is to provide for all forms of recreation uses, but in a manner that has been comprehensively planned in order to limit impacts such as noise and traffic on surrounding land uses.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Commercial Recreation Facility
- (b) Community Hall
- (c) Park
- (d) Recreation Facility, Indoor
- (e) Recreation Facility, Outdoor
- (f) Utilities

Discretionary Uses

- (a) Accessory Building, Structure, or Use
- (b) Campground
- (c) Cemetery
- (d) Commercial Riding Stable
- (e) Day Care Facility
- (f) Guest Ranch
- (g) Golf Course
- (h) Institutional Use
- (i) Public Use
- (j) Recreational Amusement Park
- (k) Recreational Use, Extensive
- (l) Recreational Use, Intensive
- (m) Sign
- (n) Caretaker's Residence

3. DISTRICT REQUIREMENTS

The district requirements (lot area, yard requirements) shall be at the discretion of the Development Authority.

SECTION 33: URBAN RESERVE RESIDENTIAL (UR-R) DISTRICT

1. PURPOSE

The purpose of this District is to regulate the subdivision and development of land in anticipation of eventual annexation into the City of Grande Prairie.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

- (a) Existing Agricultural Operations

Discretionary Uses

- (a) Accessory Building, Structure or Use
- (b) Country Residential
- (c) Dugouts
- (d) Farm Buildings
- (e) Farmstead
- (f) Home Occupation, Minor
- (g) Kennel
- (h) Manufactured Home
- (i) Public Use
- (j) Utilities
- (k) Recreational Use, Intensive
- (l) Recreational Use, Extensive
- (m) Sign
- (n) Sod Farming
- (o) Stripping of Topsoil

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

Country Residential:

| | |
|--|---|
| Minimum Lot Area: | 2 ha |
| Maximum Lot Area: | Discretion of the Development Authority |
| Maximum Lot Density Per Quarter Section: | 3 residential lots plus the balance |
| Minimum Lot Width: | 30 metres |
| Minimum Front Yard: | 30 metres |
| Minimum Rear Yard: | 7.5 metres |
| Minimum Side Yard: | 7.5 metres |

All Other Uses:

| | |
|---------------------|-------------------|
| Minimum Lot Area: | 58 ha (143 acres) |
| Minimum Front Yard: | 32 metres |
| Minimum Rear Yard: | 7.5 metres |
| Minimum Side Yard: | 7.5 metres |

SECTION 34: URBAN RESERVE INDUSTRIAL (UR-M) DISTRICT

1. PURPOSE

The purpose of this District is to regulate the subdivision and development of land in anticipation of eventual annexation by the City of Grande Prairie.

2. USES

No person shall use any lot or erect, alter or use any building or structure for any purpose except one or more of the following:

Permitted Uses

3. DISTRICT REQUIREMENTS

In addition to the General Land Use Provisions contained in Section 3, the following regulations shall apply to every development in this district.

Residential Uses:

| | |
|-----------------------------|--|
| Minimum Lot Area: | 2 hectares |
| Maximum Lot Area: | At the Discretion of the Development Authority |
| Minimum Lot Width: | 30 metres |
| Minimum Front Yard: | 32 metres |
| Minimum Rear Yard: | 30 metres |
| Minimum Interior Side Yard: | 30 metres |
| Minimum Exterior Side Yard: | 32 metres |
| Minimum Lot Density: | 2 plus the balance of the quarter |

Other Uses:

| | |
|-----------------------------|--|
| Minimum Lot Area: | At the discretion of the Development Authority |
| Maximum Lot Area: | At the discretion of the Development Authority |
| Maximum Lot Density: | At the discretion of the Development Authority |
| Minimum Front Yard: | 32 metres |
| Minimum Rear Yard: | 30 metres |
| Minimum Interior Side Yard: | 30 metres |
| Minimum Exterior Side Yard: | 32 metres |

4. SPECIAL REQUIREMENT

The Development Authority may decide on such other requirements as are necessary having due regard to the nature of a proposed development and the purpose of this District.

SECTION 36: MEDIUM DENSITY RESIDENTIAL (MDR) DISTRICT

1. PURPOSE

The purpose of this District is to accommodate a range of medium density dwelling types to provide flexibility in the design and development of urban residential neighbourhoods.

2 USES

| Permitted | Discretionary |
|---|--------------------------------|
| Accessory | Bed and Breakfast |
| Duplex | Boarding and Lodging |

| Height (Maximum): | Dwelling, Semi-detached | 2 ½ Storeys or 10.5 m |
| | Dwelling, Single Detached | 2 ½ Storeys or 10.5 m |
| | All other Dwelling Uses | 3 Storeys or 12.0 m |
| | A maximum differential of one Storey allowed between adjacent sites. | |
| Density: | 30 units per net hectare (minimum) | |
| | 55 units per net hectare (maximum) | |
| Site Coverage: | Row Housing | 65% |
| | All other development | 50% |
| Amenity Area: | 7.5 m ² per Dwelling for Duplexes and Row Housing for private outdoor Amenity Area | |
| | 7.5 m ² per Dwelling for Multi-Attached Dwellings for either private outdoor or common Amenity Area | |

* subject to regulation in subsection 4

- (a) The common Amenity Area may consist of a single, distinct area or be divided into multiple areas. The Amenity Area shall include outdoor open space that provides an adequate area for unstructured passive or active recreation to the satisfaction of the Development Officer, as well as two or more of the following:
- (i) Playground equipment;
 - (ii) Benches, picnic tables or other seating;
 - (iii) A gazebo or other shelter;
 - (iv) A patio;
 - (v) Courtyards;
 - (vi) Gardens; or
 - (vii) Other recreational or amenity uses that would meet the needs of the residents for the specific development under consideration.

(b) Row Housing shall be developed:

i) on its own block face;

Maximum 4 dwellings per building shall be permitted; up to 6 dwellings per building shall be discretionary.

4. SPECIAL REQUIREMENTS

(a) No accessory building or structure shall exceed the height of the main structure.

(b) Front yard for condominium land units may be measured from the edge of asphalt of a condominium road.

(c) Servicing will occur in the lane right-of-way on all laned housing products.

(d) All dwelling units in this district require access from the back or rear of the unit, preferably at grade.

(e) Builders should require fencing, planting and/or landscaping elements to separate rear parking pads from each other, but may not be built within 1.5 metres of rear lot line.

(f) Secondary Suites are not permitted except under the discretionary housing type, Dwelling Unit, Single Detached.

SECTION 37: DESIGN GUIDELINES MEDIUM DENSITY RESIDENTIAL (MDR) DISTRICT

1. PURPOSE

The purpose of these standards is to illustrate architectural and site planning criteria to ensure that buildings in the Medium Density Residential District provide a high standard of urban design and add to the aesthetic of the neighbourhood.

2. BUILDINGS

Building Elements

(a) Buildings should include the following design elements to reduce the perceived mass and add architectural interest:

- a. The use of recessions and projections, such as porches, bay windows and entrance features; and
- b. The use of a variety of exterior building cladding and materials.

(b) Building components such as windows, doors, trim, columns, balconies, stairs, and roofline features should be in proportion to one another and to the overall mass of the building.

(c) Roofs:

- a. The roof line of buildings should consist of sloped roofs of varying pitches which may be finished in any combination of metal, wood shakes, asphalt shingles, clay tiles, or roof materials having a similar texture and appearance OR flat roofs where they are concealed by parapet walls that include articulation and use of design elements that are in harmony with the principal architectural theme.

(d) Entrances:

- a. The principal entrance of each Duplex Dwelling, Semi-detached Dwelling, Row Housing, and Multi-attached Dwelling should front onto a public roadway other than a lane. Access to each dwelling unit may be provided only from the rear of the unit.

Building Façade / Building Materials

- (a) Architectural treatment of all façades of the building should create a unified building exterior.
- (b) Building façade treatment should wrap around the side of the building to provide a consistent profile when exposed to the street.
- (c) Building façades should include finishing materials and variations that will reduce any perceived mass and linearity of large buildings and add architectural interest.

Building Typology

- (a) Semi-Detached Dwelling:

(b) Row Housing

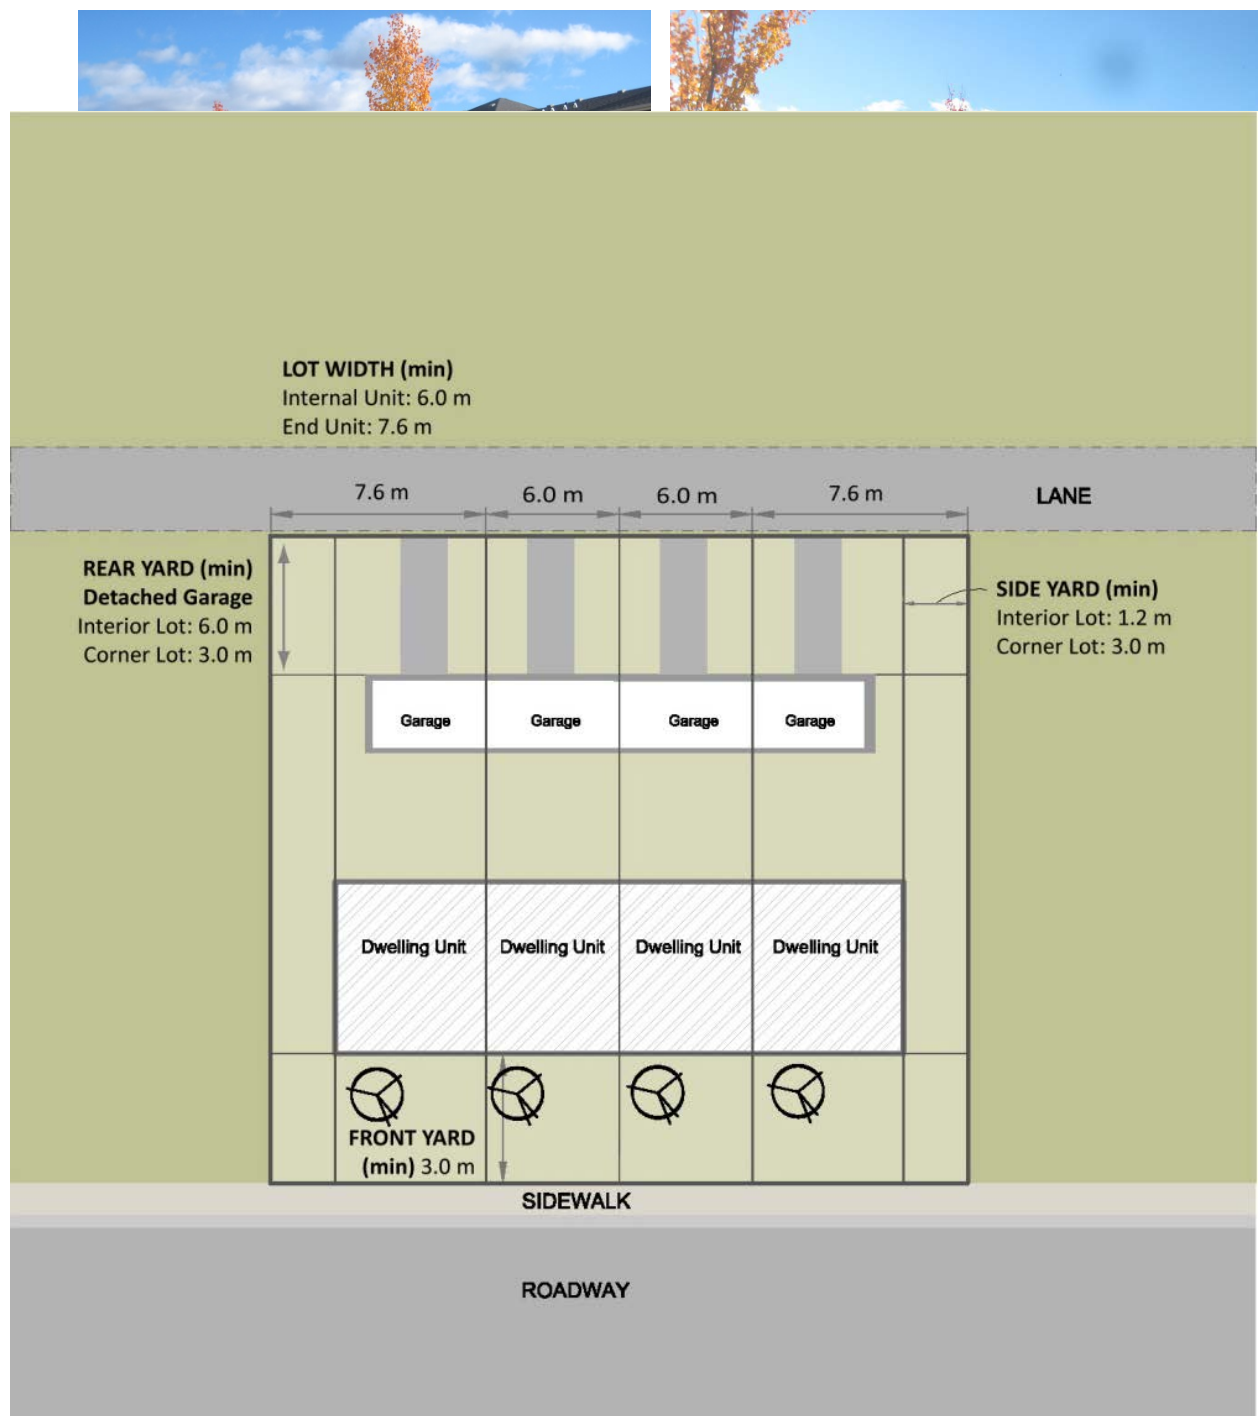

(b) Multi-Unit Dwelling

3. PARKING AND ACCESS

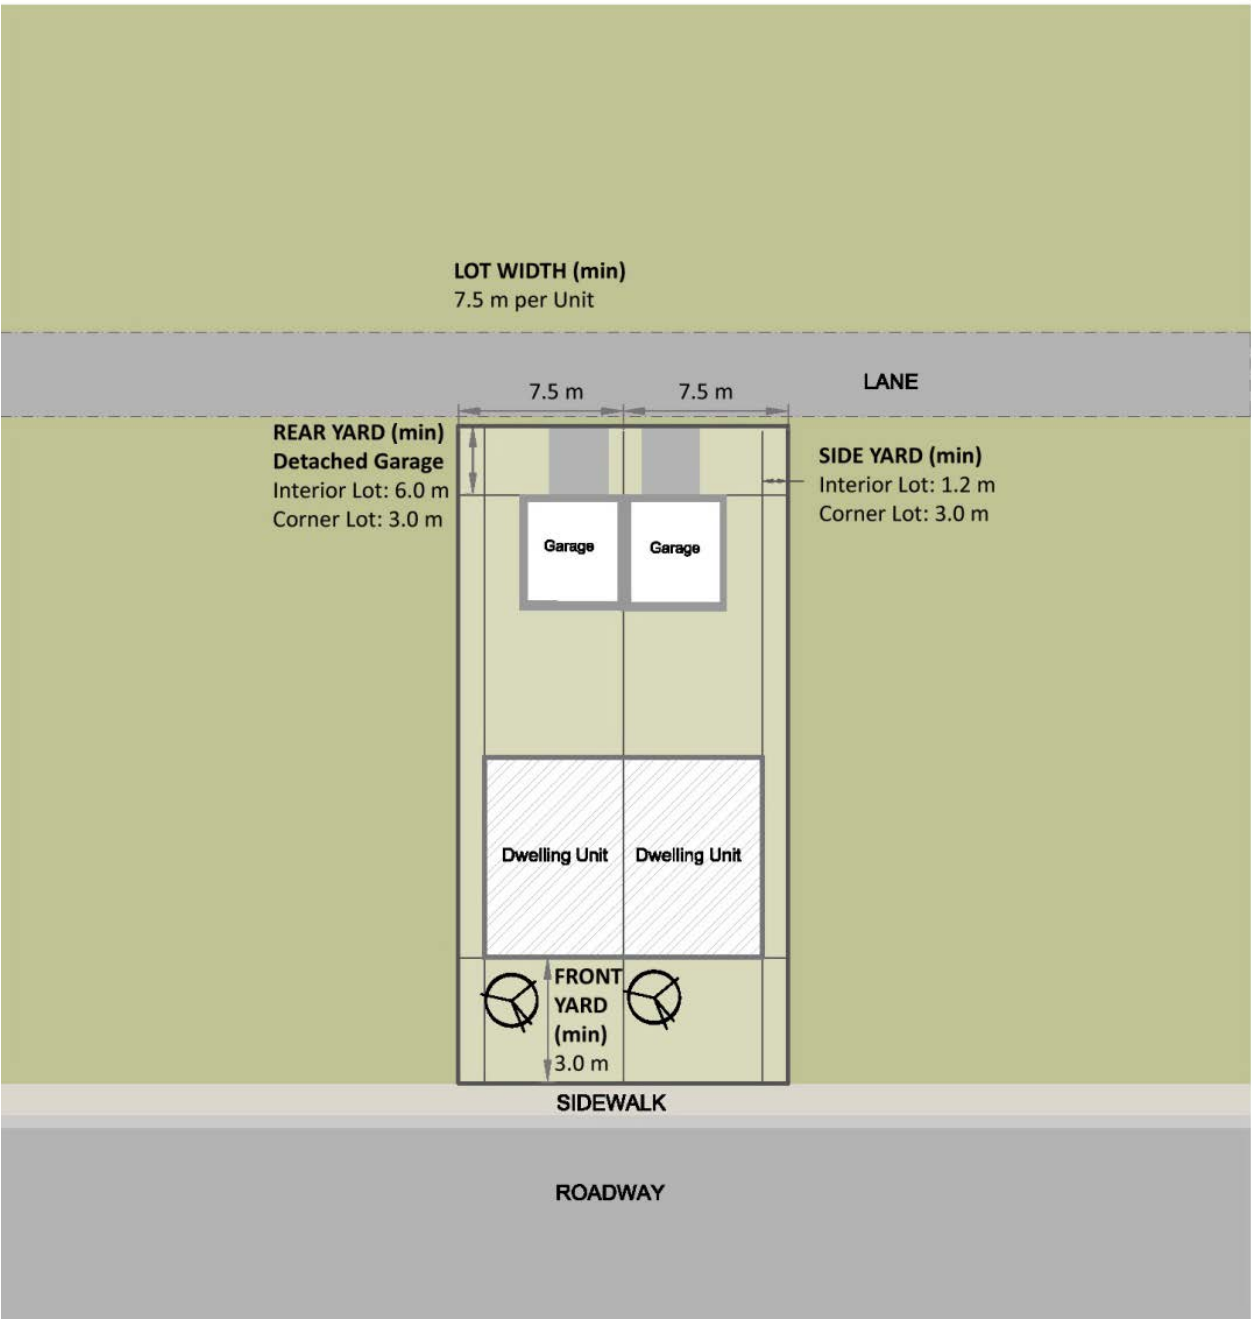

- (a) Vehicular access to properties from a public roadway should be restricted to the abutting lanes where available, to preclude breaks in the street façade and strengthen the pedestrian-oriented character of the area. Where there is no abutting lane, vehicular access should be provided from a flanking roadway other than an arterial roadway. Where there is no lane or flanking roadway then the street access should be limited to one access point.
- (b) All on-site parking should be located at the rear of the site.
- (c) To reduce the scale of surface parking and walking distance, parking should be located to the rear and side of buildings, where possible. Parking should not dominate street frontages or access entry areas. Rear yard setbacks are set at a minimum of 6.0 metres, and builders may consider larger setbacks to accommodate larger vehicles.
- (d) Fencing or landscaping should separate parking pads in the rear of laned products. Builders should follow the requirements under the Medium Density Residential District and may impose their own requirements as part of their architectural controls. Consideration can extend to the area abutting driveways between lots, for further architectural controls to prevent unsightly and unsafe storage.

4. LANED CONFIGURATIONS:

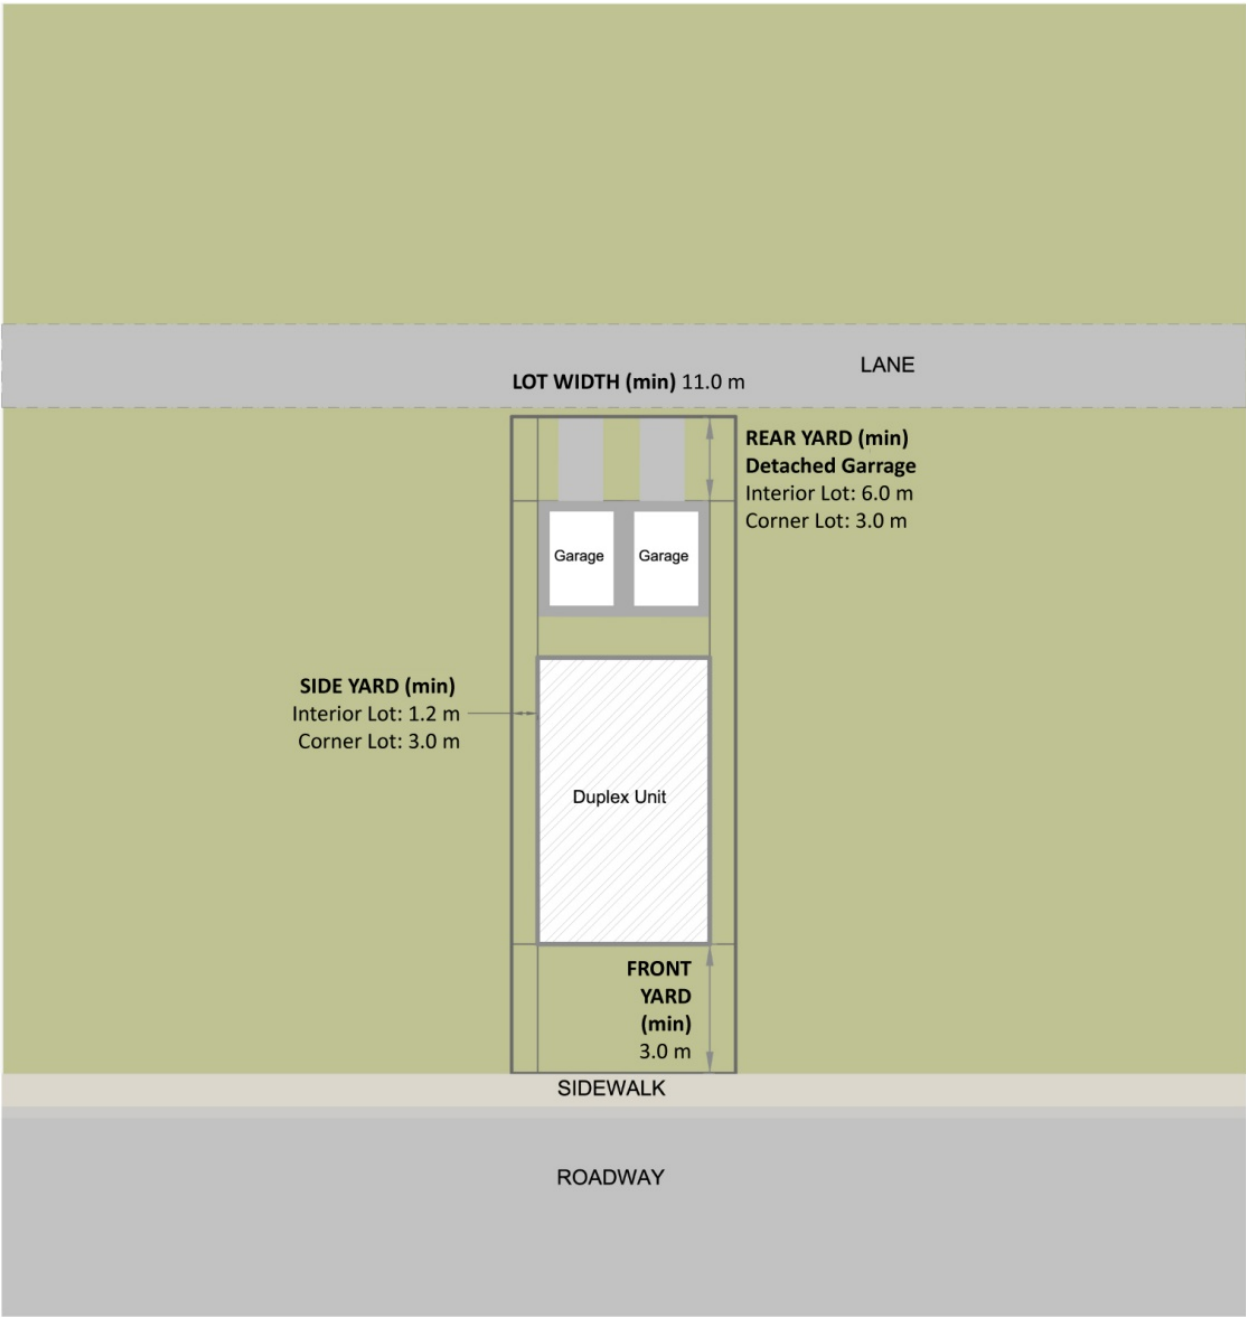

Row
Housing:

Semi-Detached:

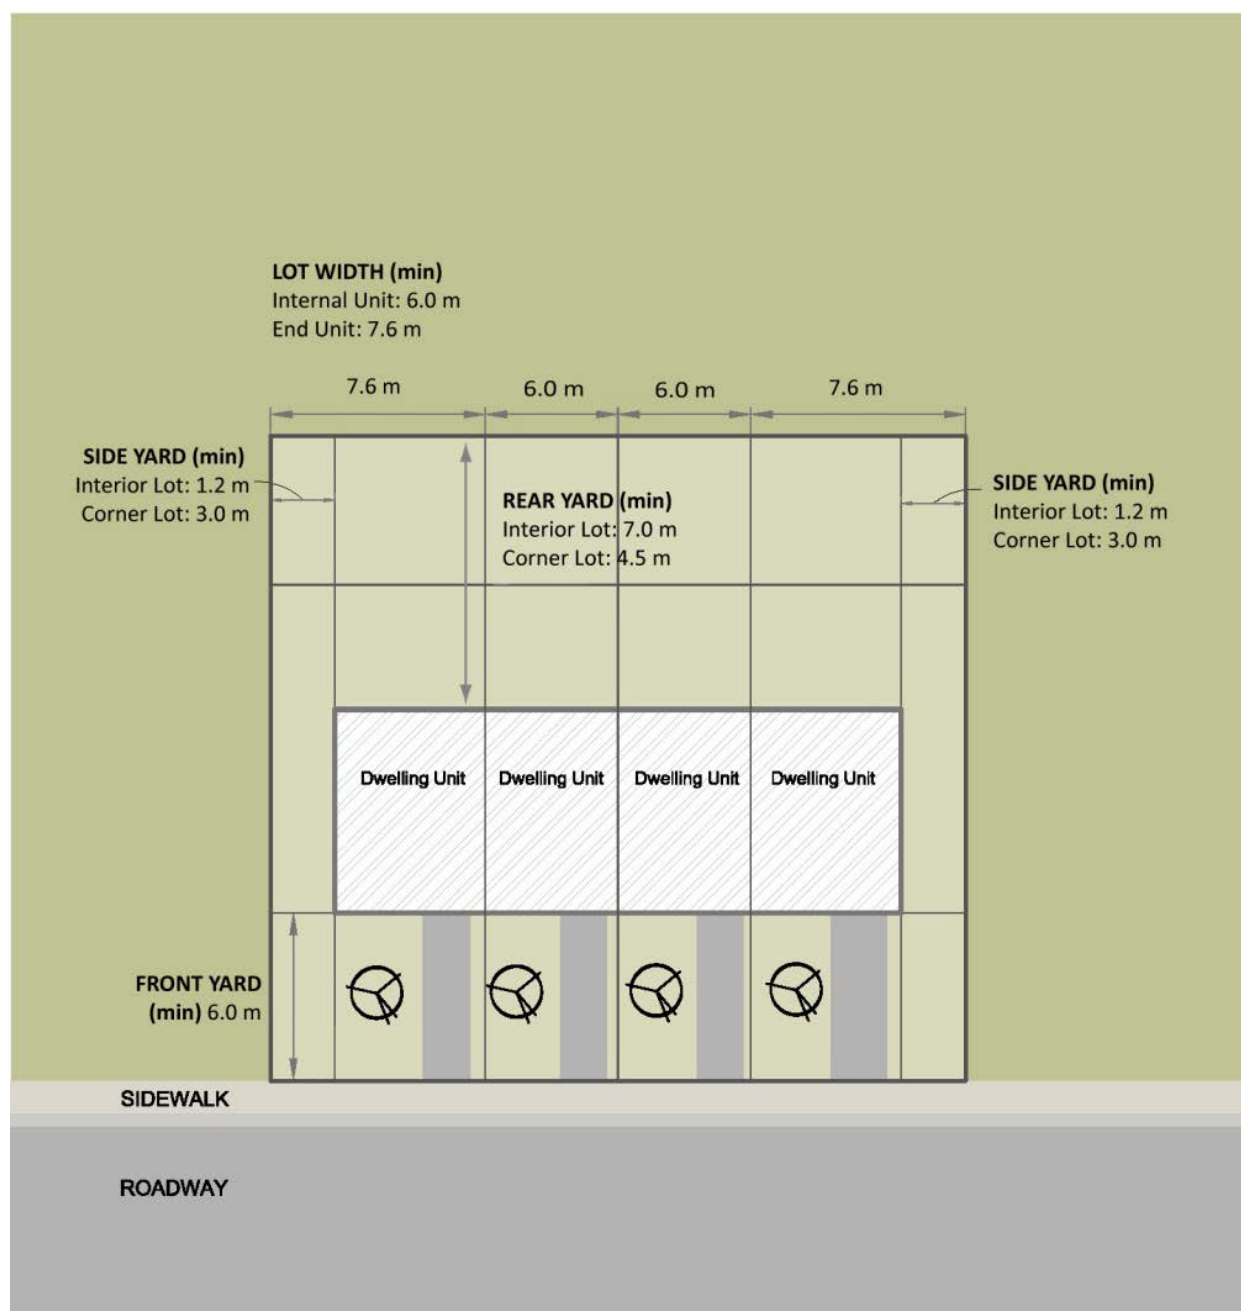

Duplex:

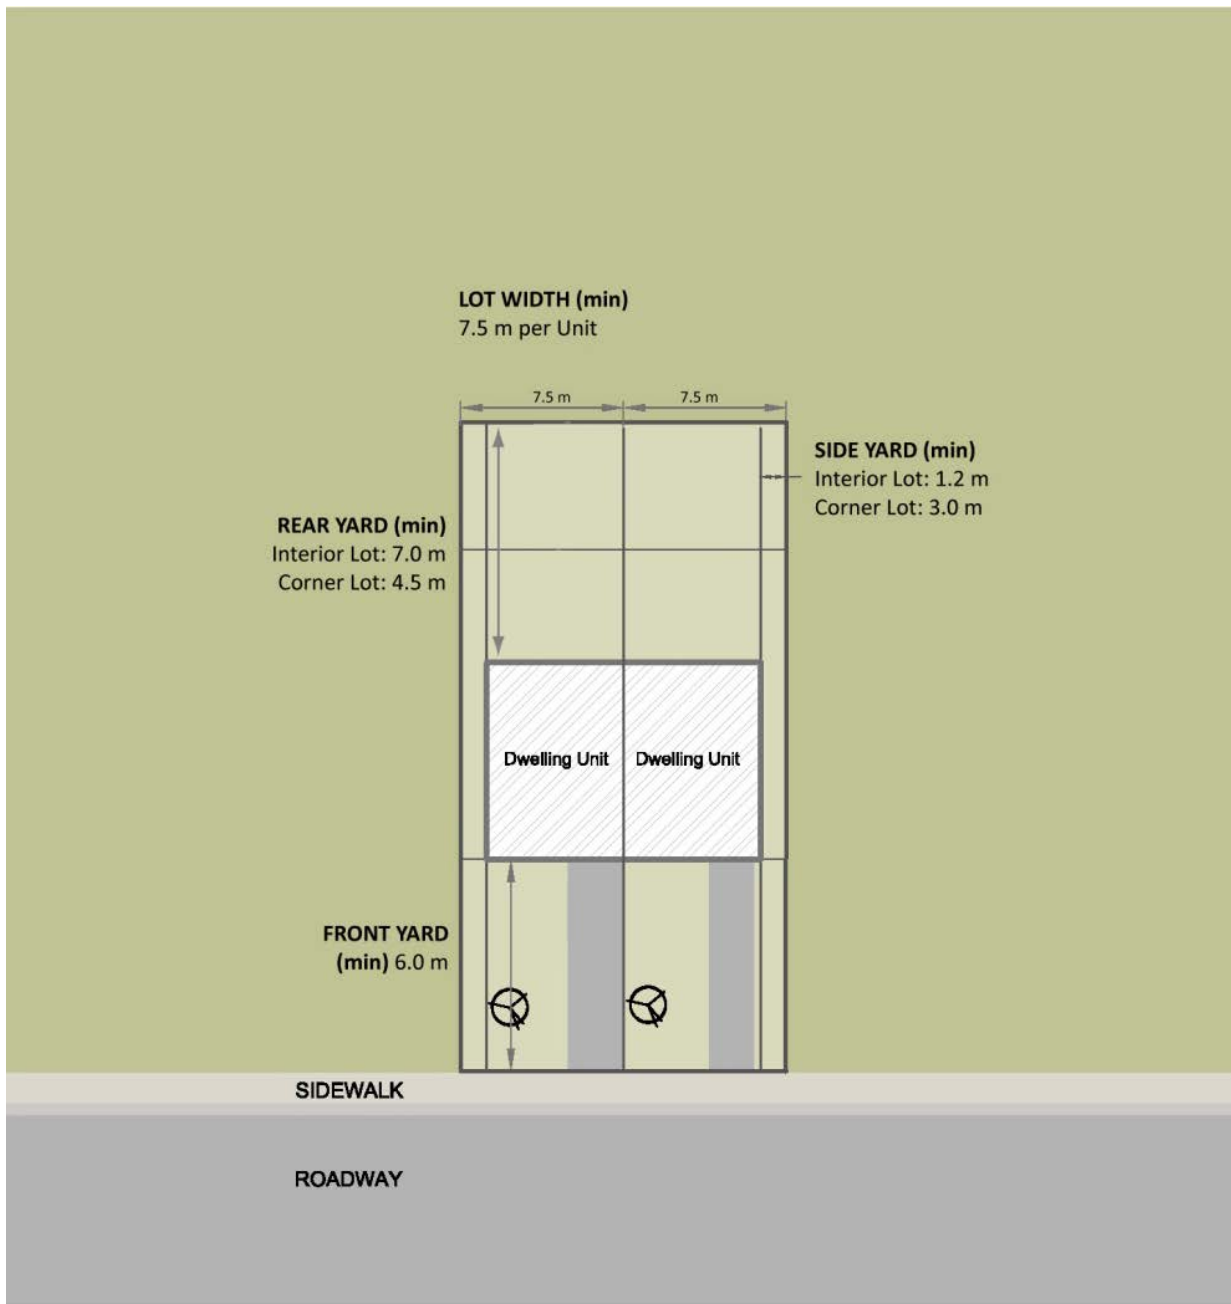

5. UN-LANED CONFIGURATIONS:

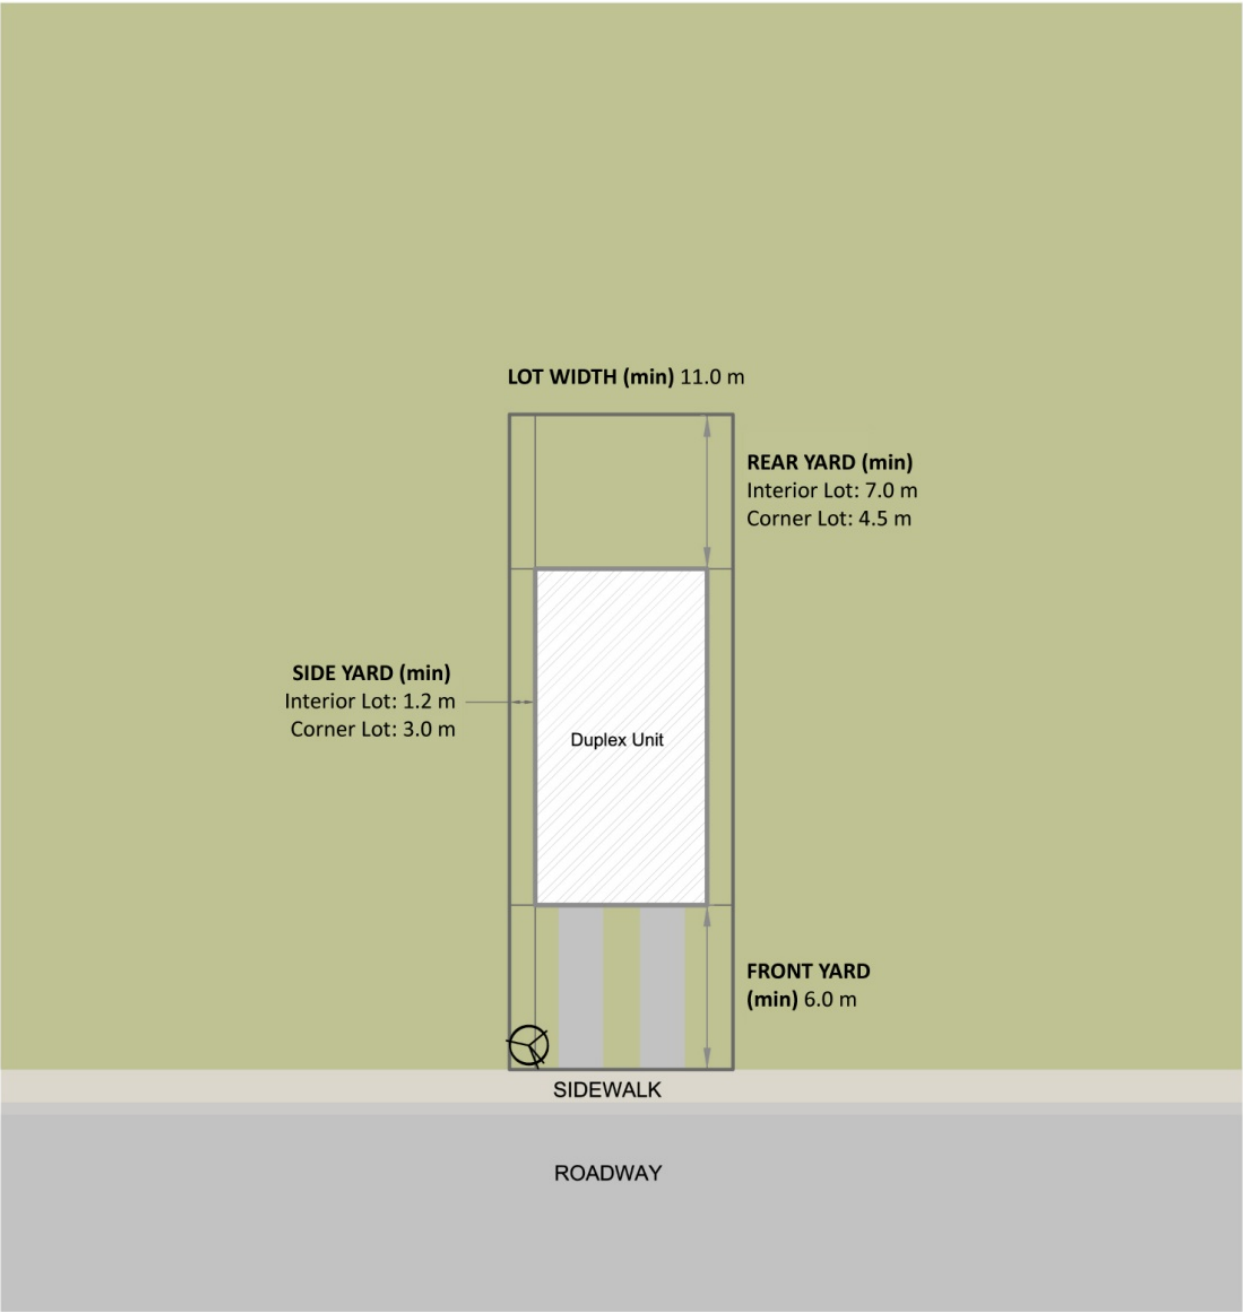

Row Housing:

Semi-Detached:

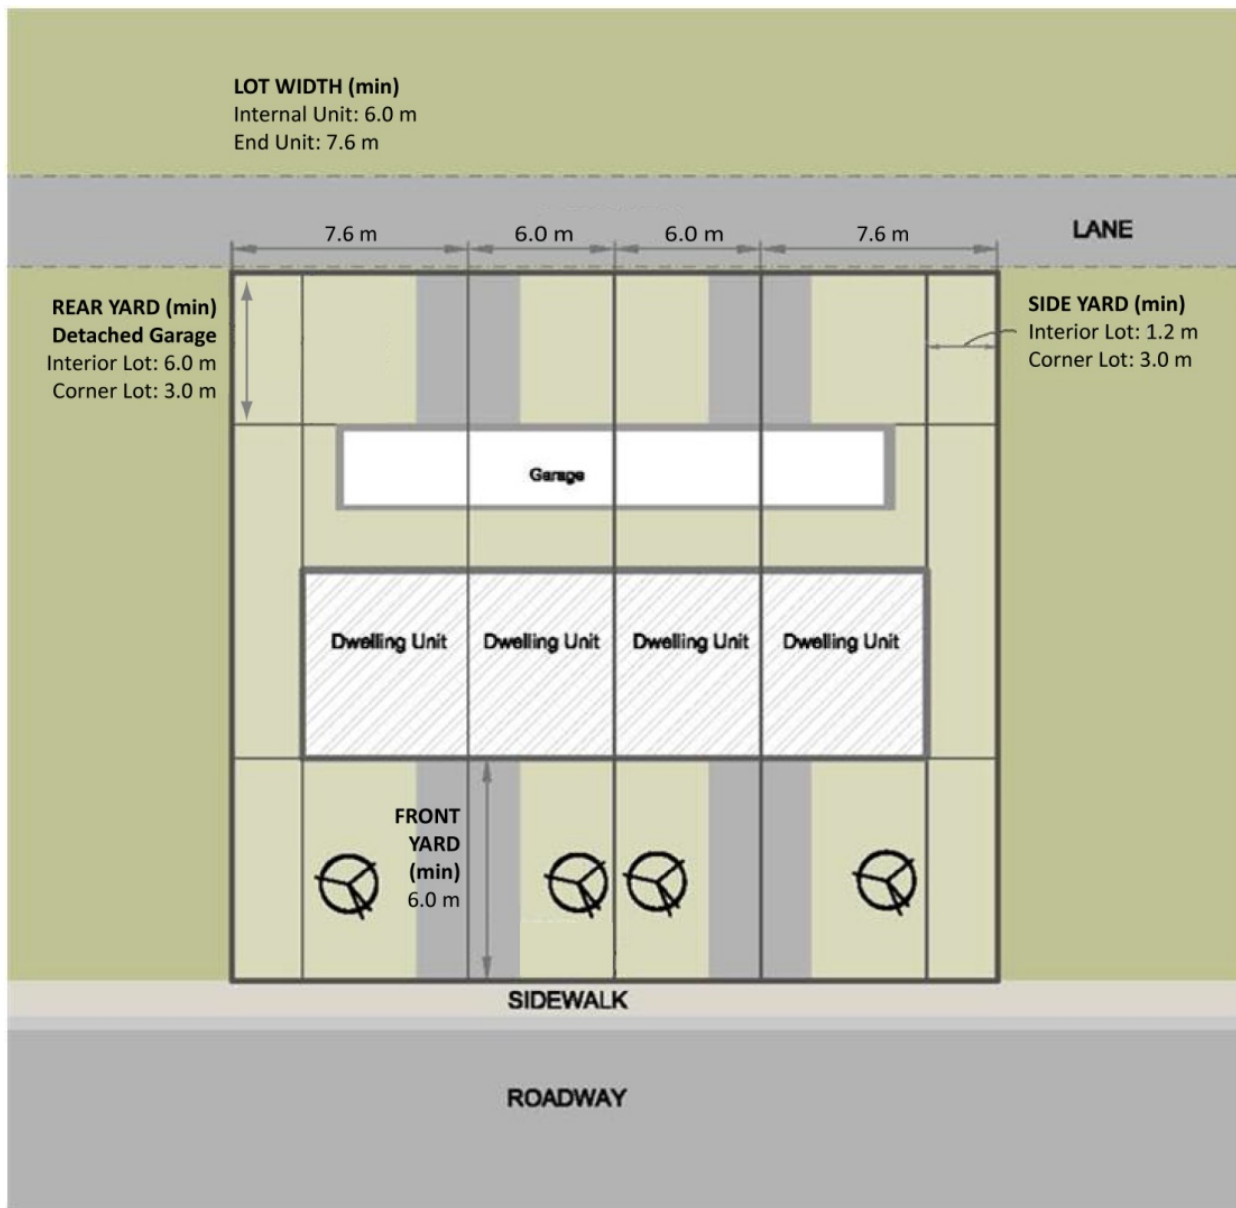

Duplex:

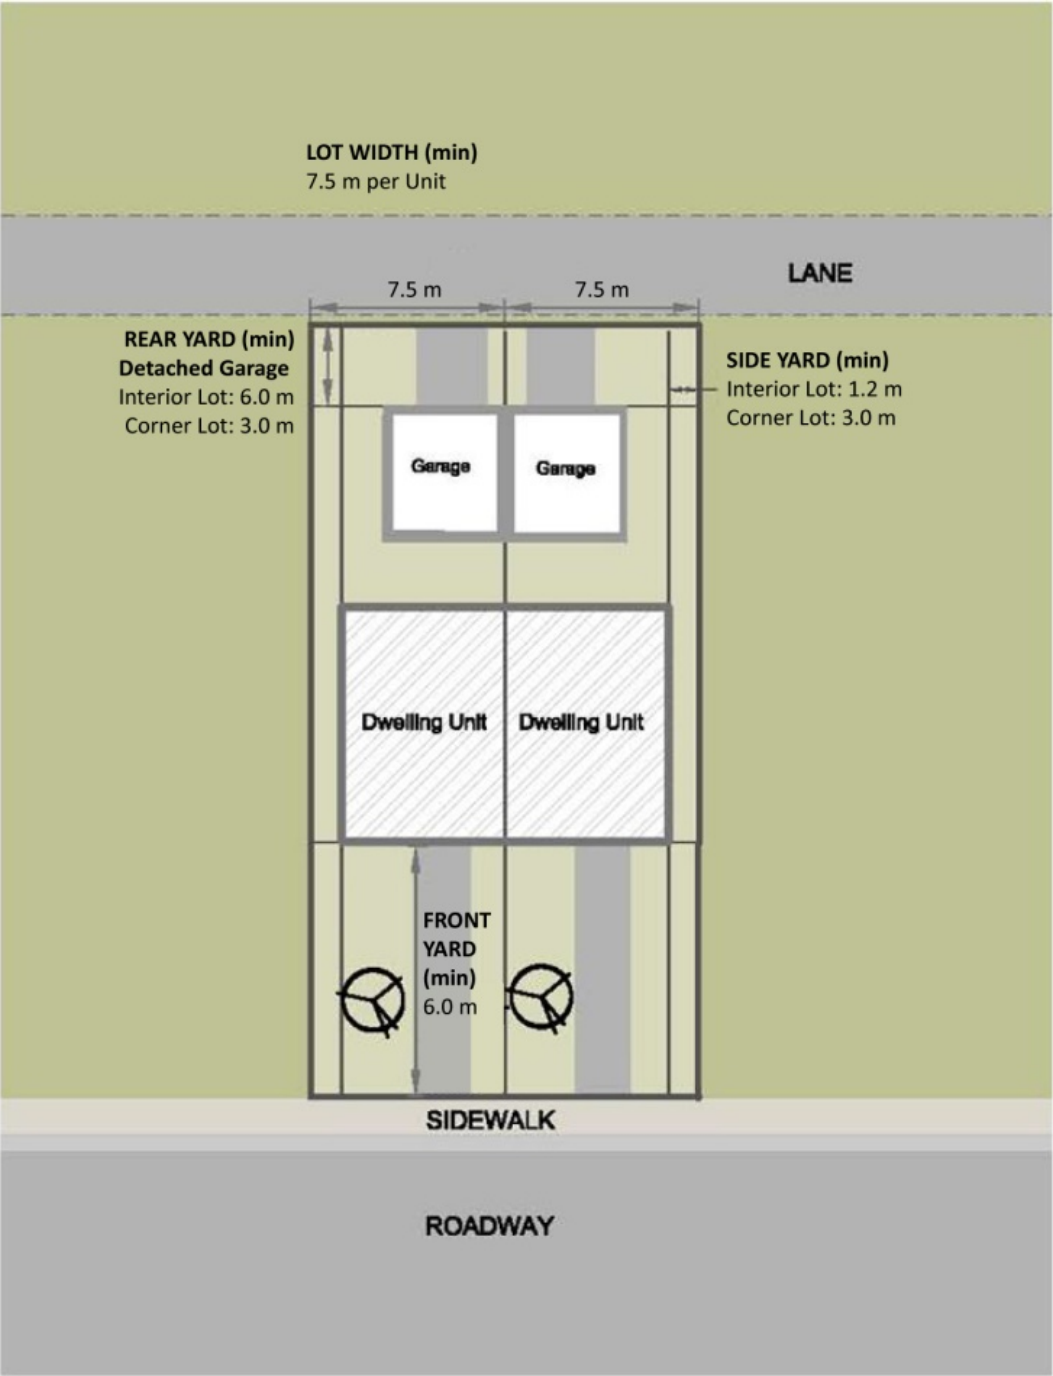

6. FRONT DRIVEWAY AND LANED CONFIGURATION:

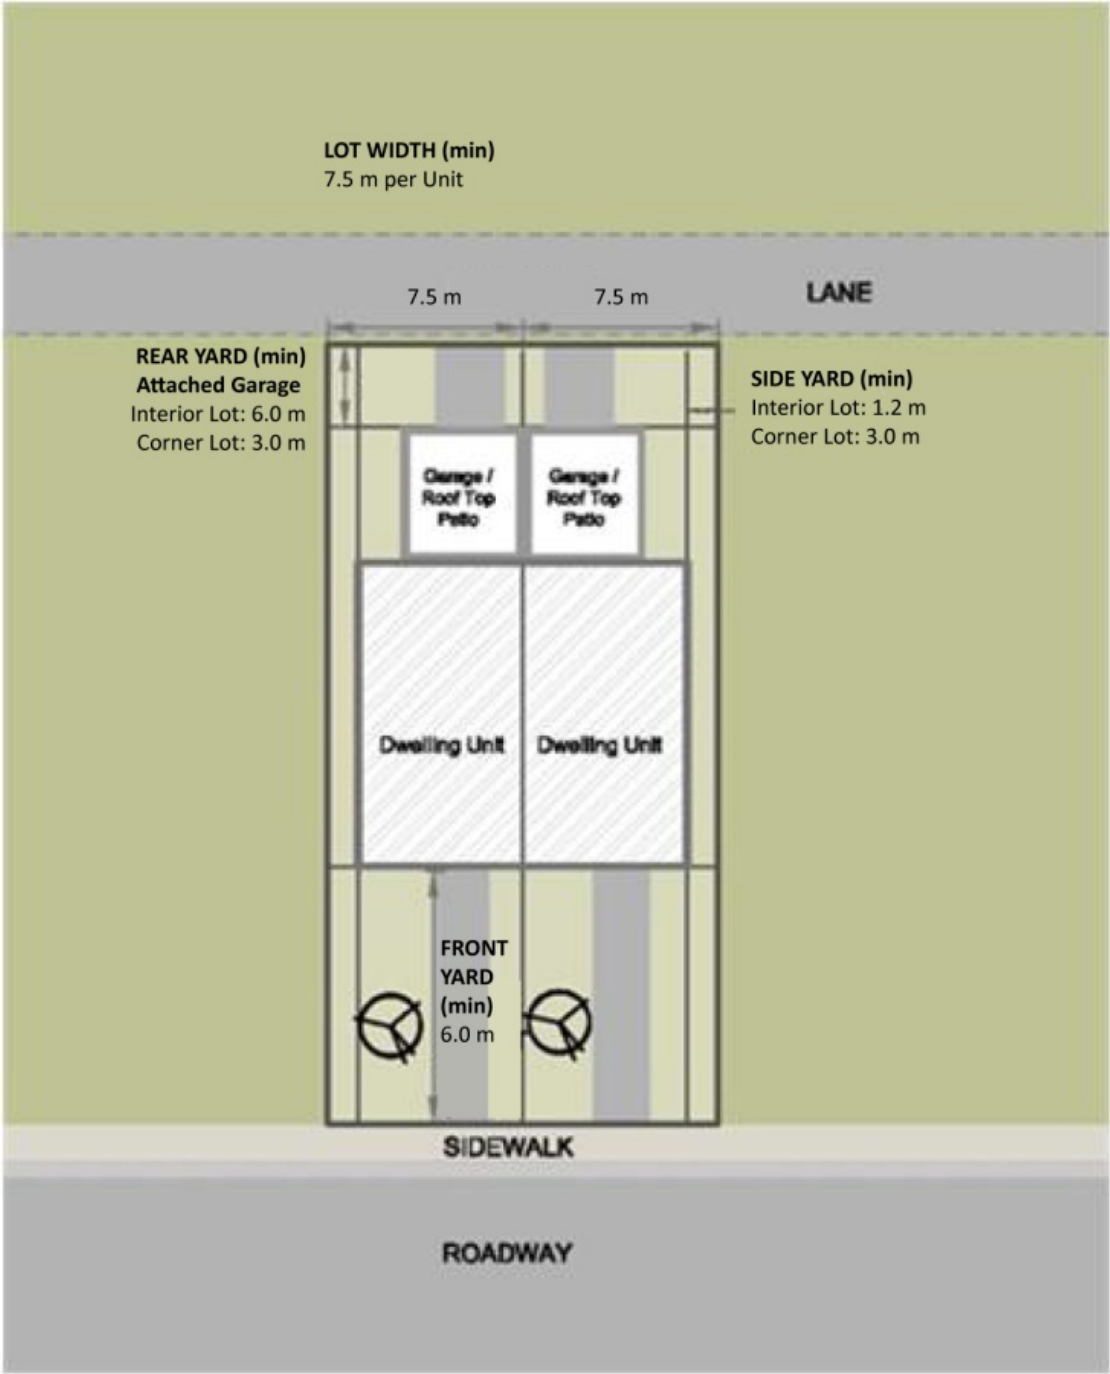

Row Housing:

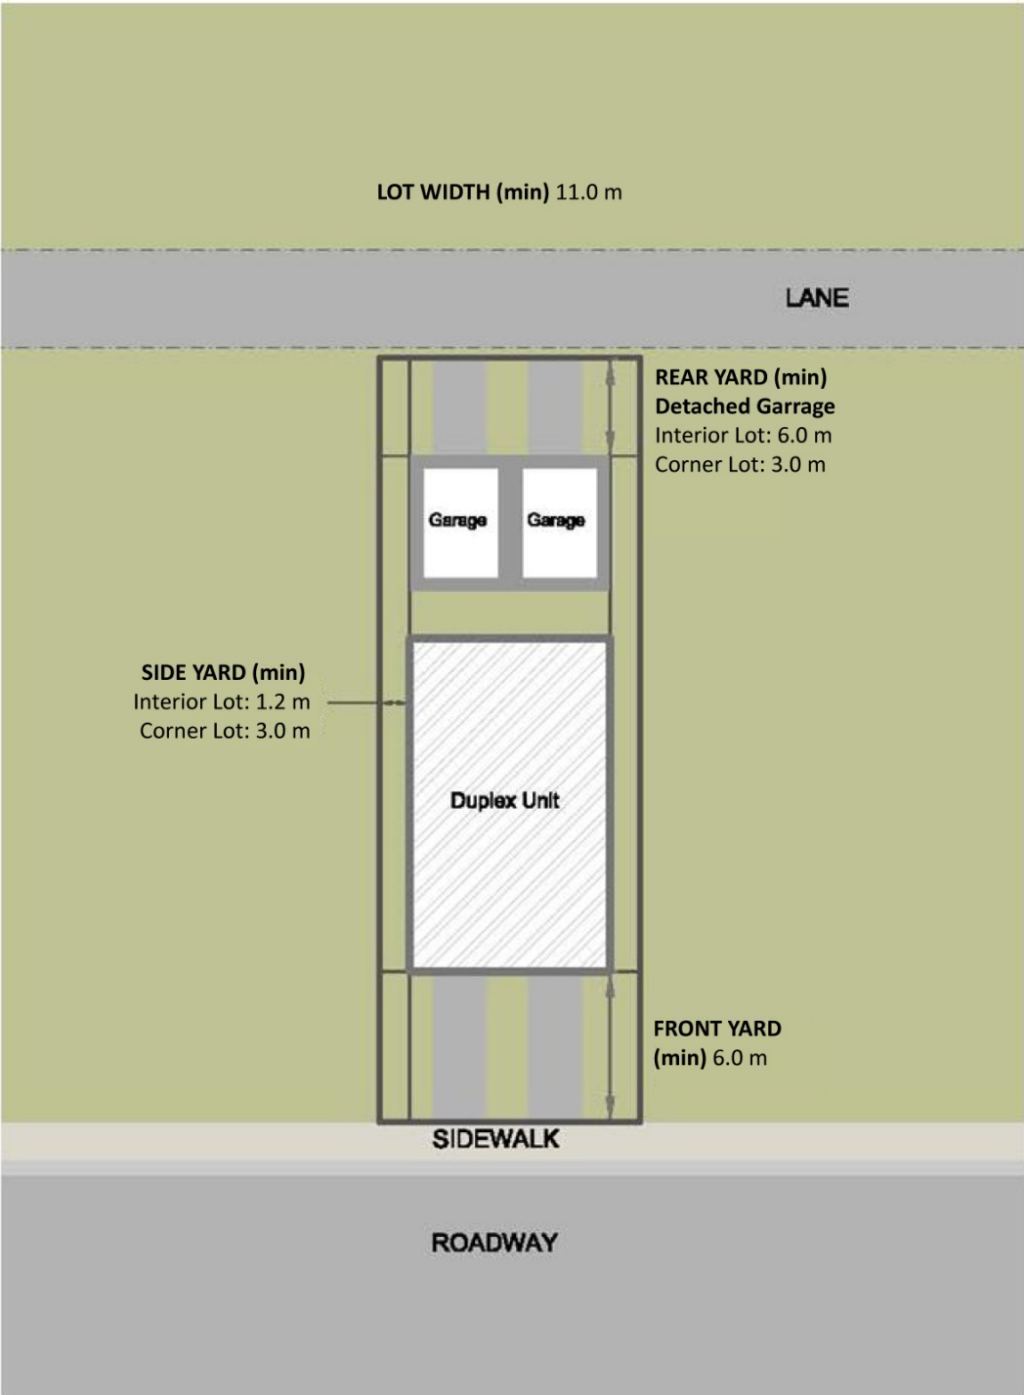

Semi-Detached Option 1:

Semi-Detached Option 2:

Duplex:

7. LANDSCAPING

- (a) Where a boulevard is located between the sidewalk and a road and has a width of 2 metres or more, deciduous trees should be planted at a spacing of 10 metres where possible or at the discretion of the Development Officer.
- (b) Detached dwellings, Semi-detached dwellings, and Duplex dwellings should provide a minimum of 2 trees per dwelling unit.

SECTION 38: VILLAGE CENTRED MIXED USE (MU1) DISTRICT

1. PURPOSE

The purpose of this District is to provide for the development of pedestrian-oriented mixed use village centres that include both commercial and residential uses. Development should have a high standard of appearance/design with active commercial frontages on the ground floor to encourage pedestrian activity. Other civic, cultural and institutional uses may be permitted in this district.

2. USES

| Permitted | Discretionary |
|------------------------------------|-----------------------------------|
| Accessory | Apartment Building |

|-----------------------------|--------------------|
| Lot Area (Maximum): | 2 ha |
| Lot Area (Minimum): | 475 m ² |
| Lot Width (Minimum): | 10 m |

| Development Regulations | | |
|--------------------------------------|---|---|
| Front Yard Setback (Minimum): | | 0.0 m |
| Front Yard Setback (Maximum): | | 3.0 m |
| Side Yard Setback (Minimum): | Interior lot | 0.0 m |
| | Exterior lot | 3.0 m |
| | Abutting a Residential District | 3.0 m or greater as required by the Development Officer |
| Rear Yard Setback (Minimum): | | 0.0 m |
| | Abutting a Residential District | 7.5 m |
| Height (Maximum): | Main Building | 4 Storeys or 14.0 m |
| | Architectural Features (e.g. steeples, clock towers and façade details) | 26.0 m |
| Height (Minimum): | Main Building | 2 Storeys |
| Site Coverage (Maximum): | | 50% |
| Density (Maximum) | | 55 units per net hectare (maximum) |

4. SPECIAL REQUIREMENTS –DESIGN

(a) Buildings shall be built to the Front and Side Lot Lines except that buildings may have a maximum Setback of 3.0 m to accommodate street related activities, such as sidewalk cafes, architectural features and landscaping that contribute to the pedestrian oriented character of the area or to accommodate roadway design or to preserve existing trees.

(b) Only non-residential uses shall occupy the ground floor.

(c) All development fronting onto a public roadway, other than a Lane, shall have active commercial frontages along the ground floor to create a pedestrian-oriented streetscape.

- (d) Active commercial frontages shall be developed according to the following regulations, at the discretion of the Development Officer:
- (i) Building entrances and windows shall be oriented toward a public roadway, other than a Lane;
 - (ii) A minimum of 60% of the linear building frontage shall have clear glazing on the exterior;
 - (iii) design elements or architectural treatment should be utilized to suggest a pattern of individually owned shops with frontages of less than 15.0 m;
 - (iv) weather protection in the form of a canopy or any other architectural element should all be provided above entrances to create a comfortable environment for pedestrians;
 - (v) On corner lots, the façade treatment shall wrap around the side of the building to provide a consistent profile;
- (e) The following regulations shall apply to Residential developments:
- (i) the Residential component of the development shall have access at grade, which is separate from the access for commercial premises;
 - (ii) Residential and non-residential uses shall not occupy the same floor;
 - (iii) a minimum of 7.5 m² of Amenity Area per Dwelling is required;
- (f) Parking, loading and trash collection areas shall not be located in the Front Yard or any yard adjacent to a public roadway, other than a Lane, and shall be screened from view from adjacent sites and public roadways other than a Lane.
- (g) The site plan, relationship between buildings, the architectural treatment of buildings, the provision of landscaped open space, lighting and the parking layout (if any) shall be subject to approval by the Development Authority.
- (h) The façade treatment shall wrap around the side of the building to provide a consistent profile when exposed to the street.

SECTION 39: DESIGN GUIDELINES – VILLAGE CENTRE MIXED USE (MU1) DISTRICT

1. PURPOSE

The purpose of these standards is to establish architectural and streetscape criteria to ensure that buildings in the Village Centre Mixed Use District provide a high standard of urban design and add to the aesthetic of the neighbourhood.

2. BUILDINGS

Building Elements

(a) Roofs:

- a. The roof line of buildings shall consist of sloped roofs of varying pitches which may be finished in any combination of metal, wood shakes, asphalt shingles, clay tiles, or roof materials having a similar texture and appearance OR flat roofs where they are concealed by parapet walls that include articulation and use of design elements that are in harmony with the principal architectural theme.

Orientation and Placement of Buildings

- (a) Buildings shall be built to the front and side lot lines except that buildings may have a maximum setback of 3.0 metres to accommodate street related activities, such as sidewalk cafes, architectural features and landscaping that contribute to the pedestrian oriented shopping character of the area or to accommodate roadway design or to preserve existing trees.

Building Façade / Building Materials

- (d) Architectural treatment of buildings, except for apartment housing, shall ensure that each storey has windows on the front façade and that the placement and type of windows shall allow viewing into the building to promote a positive pedestrian-oriented shopping street.
- (e) Building façade treatment shall wrap around the side of the building to provide a consistent profile when exposed to the street.

- (f) Building façades shall include finishing materials and variations that will reduce any perceived mass and linearity of large buildings and add architectural interest.

3.

PUBLIC REALM

- (a) All development shall create a pedestrian friendly environment on a shopping street, which may include such things as entrance features, outdoor sitting areas, canopies, landscaping and other features that lend visual interest and a human scale to development along the street.
- (b) A diversity of site amenities and pedestrian oriented facilities such as public art, street furniture, small parks, squares, and plazas should be provided to create an inviting streetscape open space environment.
- (c) Signage, wayfinding, open Space and district branding should be coordinated to unify the district and enhance the aesthetic.
- (d) Property owners may consider a shared responsibility agreement to retain a high quality appearance under multiple ownership of commercial properties. Parking spaces should be maintained through inclement weather, and care given to maintain the public spaces of walkways and access points.

4. PARKING AND ACCESS

- (a) Vehicular access to properties from a public roadway shall be restricted to the abutting lanes to preclude breaks in the street façade and strengthen the pedestrian-oriented character of the area. Where there is no abutting lane, vehicular access shall be provided from a flanking roadway other than an arterial roadway. Where there is no lane or flanking roadway then the street access shall be limited to one access point.
- (b) All on-site parking shall be located at the rear of the site.

- (c) To reduce the scale of surface parking and walking distance, parking shall be located to the rear and side of buildings. Parking should not dominate street frontages or access entry areas.

5. LANDSCAPING

- (a) A detailed landscaping plan shall be submitted in accordance with Section 3, No. 16 Landscaping and Site Design of the Land Use Bylaw prior to approval of any development permit. This plan shall include pedestrian connection and fencing details, exterior lighting and street furniture elements, pedestrian seating areas, varied sizes and species of new plantings.

SECTION 40: BEAVERLODGE AIRPORT – DIRECT CONTROL (BA-DC) DISTRICT

1. PURPOSE

To provide for:

- 1) the continuing aviation operations of the Beaverlodge Airport, and
- 2) to accommodate the automobile racing and other associated activities of the North Peace Bracket Racing Association (“NPBRA”) as owners of the airport facility.

2. AREA OF APPLICATION

This provision shall apply to Lot B, Plan 822 0528 containing 30.01 ha more or less, located on the N½ 27-71-10-W6M as illustrated in Schedule “A”.

3. AUTHORITY AND ADMINISTRATION

- (a) All development in this District shall require a development permit unless otherwise specified.
- (b) All applications for development permits shall be referred to Council for a decision in accordance with Section 2(3)(h).
- (c) Pursuant to the Act, there is no appeal to the Subdivision and Development Appeal Board for a decision on a development permit in this District.

Such activities may also include the provision of food services, and the installation of grandstands and other structures associated with the Special Event.

6. DEVELOPMENT REGULATIONS

- (a) The regulations contained in Section 3 (General Provisions for All Districts) shall apply to all development in this District.
- (b) Permanent development shall have a minimum setback of:
 - (i) 30 m from the Highway 722 right-of-way, and
 - (ii) 15 m from all other property lines.
- (c) No site work or grading shall take place on the site that will alter existing drainage patterns or contribute to the flooding or inundation of adjacent properties.
- (d) Airport Operations

- (i) The principal use of the site shall be an Airport, the operation of which for aviation activities shall be maintained in accordance with the sales agreement between the Town of Beaverlodge and the NPBRA dated February 27, 2015.
 - (ii) A Scheduled Auto Racing Event, Special Event, Safety Training, School Program or any other related activity that requires the temporary closure of the Airport to aviation traffic shall be preceded by the filing of a NOTAM (Notice to Airmen) in accordance with Transport Canada regulations.
 - (iii) The Airport shall be closed to aviation traffic during Scheduled Auto Racing Events. However, the Airport shall remain open to Alberta Air Ambulance or STARS aviation traffic if runway access is required for emergency purposes.
 - (iv) No permanent development shall be permitted within the takeoff/approach surfaces of the runway as illustrated conceptually in Schedule "A". In addition, no temporary development shall be permitted with the takeoff/approach surfaces of the runway unless required as part of an approved Special Event, School Activity or Safety Training activity.
- (e) Scheduled Auto Racing Events
- (i) Scheduled Auto Racing Events shall be limited to a maximum of six (6) events per calendar year. All Scheduled Auto Racing Events proposed in a calendar year may be approved by the County under a single development permit.
 - (ii) Scheduled Auto Racing Events shall be limited to Fridays, Saturdays and Sundays. The hours of operation, excluding set-up and tear-down, shall be limited to between 9:00 am to 10:00 pm.
 - (iii) In the event the hours of operation for a Scheduled Auto Racing Event are required to be extended, a separate development permit shall be required.
 - (iv) The NPBRA shall post notice of all Scheduled Auto Racing Events as far as possible in advance of the first Scheduled Auto Racing Event of the year.
 - (v) Notice of Scheduled Auto Racing Events will be provided by advertisement in the local newspaper, on-site signage, and posts on the NPBRA website.
 - (vi) No alcohol shall be served on the site during a Scheduled Auto Racing Event.
 - (vii) All Scheduled Auto Racing Events shall be conducted in accordance with the operational and safety protocols of the IHRA.
- (f) Special Events
- (i) The NPBRA shall post notice of all Special Events as far as possible in advance of the event.
 - (ii) Notice of Special Events will be provided by on-site signage and posts on the NPBRA website.
 - (iii) Each Special Event shall require an individual development permit.
