## Plan Your Trip

### SUPERPASS

Grande Prairie Transit uses electronic fare boxes. The system uses a re-loadable, electronic smart card, known as SUPERPASS, which makes it easy and convenient to simply tap-and-go to pay your bus fare.

### Transfers

- Transfers are free on GP Transit.
- No paper transfer is required if you use a SUPERPASS.
- Ask your Transit Operator for a transfer when paying cash.
- Use the paper transfer with the barcode to scan on your next bus.
- Transfers are valid for 120 minutes after the transfer is issued.

### Where's My Ride

To find out when your next three buses are scheduled to arrive: On your computer visit: [cityofgp.com/transit](http://cityofgp.com/transit) and click on the "Where's my Ride?" bus tracker button. Enter your route and stop number. On your smartphone, go to: [gpt.mytransitride.com](http://gpt.mytransitride.com) and enter your route and stop number.

### Google Transit

On your computer or smart phone visit: [cityofgp.com/transit](http://cityofgp.com/transit) and click on the "Google Transit Trip Planner" button.

## Important Information

### Accessible Transportation

Grande Prairie residents with special transportation needs that are unable to use the "fixed route" transit system should visit [cityofgp.com/GPAT](http://cityofgp.com/GPAT) to learn about their transportation options.

### Accessible Seating

Wheelchair passengers must be able to board and alight on their own. The operator secures the chair in. If they cannot board or alight alone, an attendant is required.

### Courtesy Seating

Courtesy seating is located at the front area of the bus and is especially vital to customers who use scooters, wheelchairs, or other mobility aids, customers with a disability or mobility issue, and customers with baby strollers.

### Assured Income for the Severely Handicapped (AISH)

If you are an AISH recipient you are eligible to receive a monthly bus pass for a monthly fee of \$10.00. Passes for the upcoming month are available AFTER the 15th day of the current month (*e.g. to apply for a January pass, apply after December 15th*). Passes can only be purchased at City Hall (10205 98 St.) You must present the following information to receive a pass: your name, Medical Services Card number, and one other type of identification.

### Animals / Pets

Only small fur-bearing and feathered pets contained in secure, clean, hand-held cages are permitted on the bus. Cages must be small enough to fit on the owner's lap. Passengers must hold on to their cages at all times. The case should not block the aisle or restrict other passengers. Certified service animals are welcome on transit buses. The Transit Operator may refuse a trip if your pet poses a health or safety risk or if it misbehaves.

### Bike & Ride

A great way to stay fit and keep the environment healthy is to ride your bike and the bus. All of Grande Prairie transit buses are equipped with bike racks.

### Implantable Cardioverter Defibrillators (ICD's) and Pacemakers

Several types of devices and machinery such as electric buses may interfere with ICD's and pacemakers. If you have concerns, please consult with your medical doctor.

### Lost & Found

Lost something on the bus? Phone: **780-538-0300** or email [info@cityofgp.com](mailto:info@cityofgp.com) and provide the date, time, route number and description of the lost article. We will do our best to find any lost articles and help you get your lost property back. If you find an item on the bus, please turn in the item to the Transit Operator. Visit [cityofgp.com/transit](http://cityofgp.com/transit) for more information.

*Grande Prairie Transit Operators do their best to maintain schedules, so that you may arrive safely and on time. On occasion, road construction, inclement weather, mechanical problems and major traffic congestion may delay the bus route schedule, your patience and understanding is appreciated during these times*

**The bus is a safe place.** Transit Operators can contact local police, ambulance, and other emergency services. Tell the Operator if you are concerned about your safety.

**GP Transit supports a respectful workplace.** Abusive or inappropriate behavior or language towards other passengers or our staff will not be tolerated and riding privileges may be suspended.

**For Customer Feedback:** If you have any comments, recommendations or concerns about our service, we want to hear about them. Contact us at [access.cityofgp.com](http://access.cityofgp.com).

# SUPERPASS

## About the SUPERPASS

Grande Prairie Transit uses electronic fare boxes. The SUPERPASS is a re-loadable, electronic smart card that makes it easy and convenient to simply tap-and-go to pay your bus fare. Cash in the form of coins (*no bills*) is still being accepted.

Both monthly passes and rides can be purchased and loaded onto the SUPERPASS. Re-loads can be done online at [superpass.cityofgp.com](http://superpass.cityofgp.com) or at a City Facility. Pre-loaded cards can be purchased wherever transit products are sold.

You can use this SUPERPASS month after month by simply purchasing and reloading the value of fare product that you wish. As the SUPERPASS is reloadable, there is no need to obtain a new card each month, simply reload the fare.

## It's recommended you register your SUPERPASS for improved benefits such as:

- Tracking your balance anywhere, anytime online.
- In the event of loss, your card can be cancelled and the remaining balance on the card can be transferred to a new card.

Registration can be done online at: [superpass.cityofgp.com](http://superpass.cityofgp.com) or at participating City of Grande Prairie facilities (*City Hall, City Service Centre, Eastlink Centre, the Community Social Development office, and Muskoseepi Park*).

## FAQ

### How does the SUPERPASS work?

When you board a Grande Prairie Transit bus, simply tap your SUPERPASS against the card reader located on the electronic fare-box next to the Operator and wait for the message on the screen.

If you use a SUPERPASS, no paper transfer is required. The SUPERPASS automatically creates a 120-minute countdown in its program so if you tap it again within this time frame it won't deduct a fare. If you pay with cash (coin only), kindly ask the Transit Operator for a transfer, which are valid for 120 minutes.

### Do I need to purchase a new SUPERPASS card each month?

No. Once you have a SUPERPASS card, you simply need to reload your card by purchasing either a new monthly pass fare or 10 / 20 / 30 ride fare. If you require a new card, there will be a \$5.00 card fee charged.

### How do I reload a SUPERPASS?

Purchasing and re-loading a new monthly pass or 10 / 20 / 30 rides onto your SUPERPASS can be done easily online or in-person.

Online visit: [superpass.cityofgp.com](http://superpass.cityofgp.com) and follow the simple, step-by-step instructions. A credit card is required. Re-loading your SUPERPASS on-line can take up to 24–48 hours to become active.

To do it instantly in-person, visit any participating City of Grande Prairie Facility (*City Hall, City Service Centre, Eastlink Centre, the Community Social Development office, and Muskoseepi Park*) OR Downtown Co-Op. You will have to bring your SUPERPASS with you to complete the transaction. Your card will be updated immediately.

Please note Shoppers Drug Mart locations are unable to re-load a SUPERPASS. Only pre-loaded SUPERPASSES are available at these locations.

### What happens if I lose my SUPERPASS?

We highly recommend registering your SUPERPASS so that in the event you lose it, we can assist you better.

When a registered SUPERPASS goes missing, attend any City Facility noted below with appropriate identification. We can then simply transfer your remaining balance to a new SUPERPASS and cancel the missing one. Please note, this transaction can only be completed at a participating City of Grande Prairie Facility (*City Hall, City Service Centre, Eastlink Centre, the Community Social Development office, and Muskoseepi Park*).

A fee of \$5.00 will be charged to replace a lost SUPERPASS.

Note that there are no refunds for lost cards and that only those cards which are registered will have the ability to have the unused value transferred to a new card.

### What data is being collected?

The SUPERPASS program allows Grande Prairie Transit to vastly improve our methods of data collection. For the first time ever, we will be able to access data such as fare category, travel times, routes used and stop characteristics. This will provide exceptional value as we seek to improve our service, design new routes and analyze system performance.

The SUPERPASS does not collect any personal identification or contact information. Grande Prairie Transit will never track an individual's SUPERPASS use history or share individualized data with third parties. Only aggregate data will be analyzed for system planning.

## Travel Tips

Grande Prairie Transit Operators do their best to maintain schedules, so that you may arrive safely and on time. On occasion, road construction, inclement weather, mechanical problems and major traffic congestion may delay the bus route schedule, your patience and understanding is appreciated during these times.

### **The following tips on bus travel will make your trip go more smoothly:**

- Have your SUPERPASS or exact coins ready when boarding. Bills are not accepted and the operators are unable to provide change.
- Please step out of the shelter as the bus approaches so the Transit Operator can see you.
- "Move on back" and keep the front seats free for seniors and those with less mobility.
- Make room for everyone. 1 person = 1 seat.
- Please keep all large articles out of the aisle and have strollers or walkers folded or out of the aisle so others can pass safely.
- To avoid potential injury, please do not chase after the bus once it has left the curb.

**GP Transit supports a respectful workplace. Abusive or inappropriate behavior or language towards other passengers or our staff will not be tolerated and riding privileges may be suspended.**

## How to use

### Booking Your Trip

#### There are three ways to book:

#### 1. Download and create an account on the **Grande Prairie My Ride** app.

- Use the app to subscribe to push notifications to track your bus and save personal search results and common trips so you can easily book again.

#### 2. Log onto [gpmride.app.ridewithvia.com](https://gpmride.app.ridewithvia.com)

#### 3. Call the dispatch center at **780-830-RIDE(7433)** to book over the phone between the following hours:

- Monday to Friday: 6 a.m. – 8 p.m.
- Saturday: 8 a.m. – 8 p.m.
- Sunday / Stat holidays: 9 a.m. – 5 p.m.
- Bookings are available to be made up to 30 minutes in advance.
- Provide pick-up and drop-off locations.
- Select the time for the trip.
  - Options are provided up to 60 minutes in advance.
  - Wait times are displayed in the app.
- Provide additional booking information (*number of customers, child safety seat, mobility device, stroller*).
- Be at the designated stop on time for the scheduled on-demand trip.
- Use the app to track your bus in real time.
- Watch for the shuttle bus with the destination sign displaying “**On Demand Transit Bus #**” that matches booking.
- Enjoy the ride!

If you need to plan a transit trip with multiple legs, use the “**Where’s My Ride**” Transit app. Cancellations can be made anytime prior to your pick-up time using the app or by calling dispatch.

### Important Information

- All of the On-Demand Transit shuttle buses are equipped with a wheelchair lift.
  - If you have accessibility needs that require door-to-door service, please contact GPAT **780-830-RIDE(7433)** to see if you are eligible for this program.

- Accredited service dogs are permitted with a lead and harness.
- Strollers are permitted but must be folded and stowed away and cannot be wheeled on.
- Bike racks that hold two standard bicycles are available on each bus.
- Infant safety carriers for those children who weigh less than 20 pounds or 9 kilograms are required. Bucket style infant carriers should be buckled with the seat belt provided.
- Regular fares apply for all on demand buses and a transfer will be issued upon request to connect to a regular transit bus at a transit hub.

## On-Demand Transit keeps you connected around the city with a bookable shuttle service between on-demand stops and selected transit hubs.

The trips are available for booking during regular transit hours and use a shuttle bus service to take you on the most direct route.

This shared ride service is being offered as a convenient and innovative way to keep our community connected with neighbourhoods that are better served by on-demand transit than fixed route transit.

### On Demand Transit is available in the following neighbourhoods:

- Countryside North
- Creekside
- Crystal Landing
- Crystal Ridge
- Kensington
- Northgate
- Northridge
- O’Brien Lake
- Richmond Industrial Park South
- Riverstone
- Signature Falls
- Trader Ridge
- Trumpeter Village

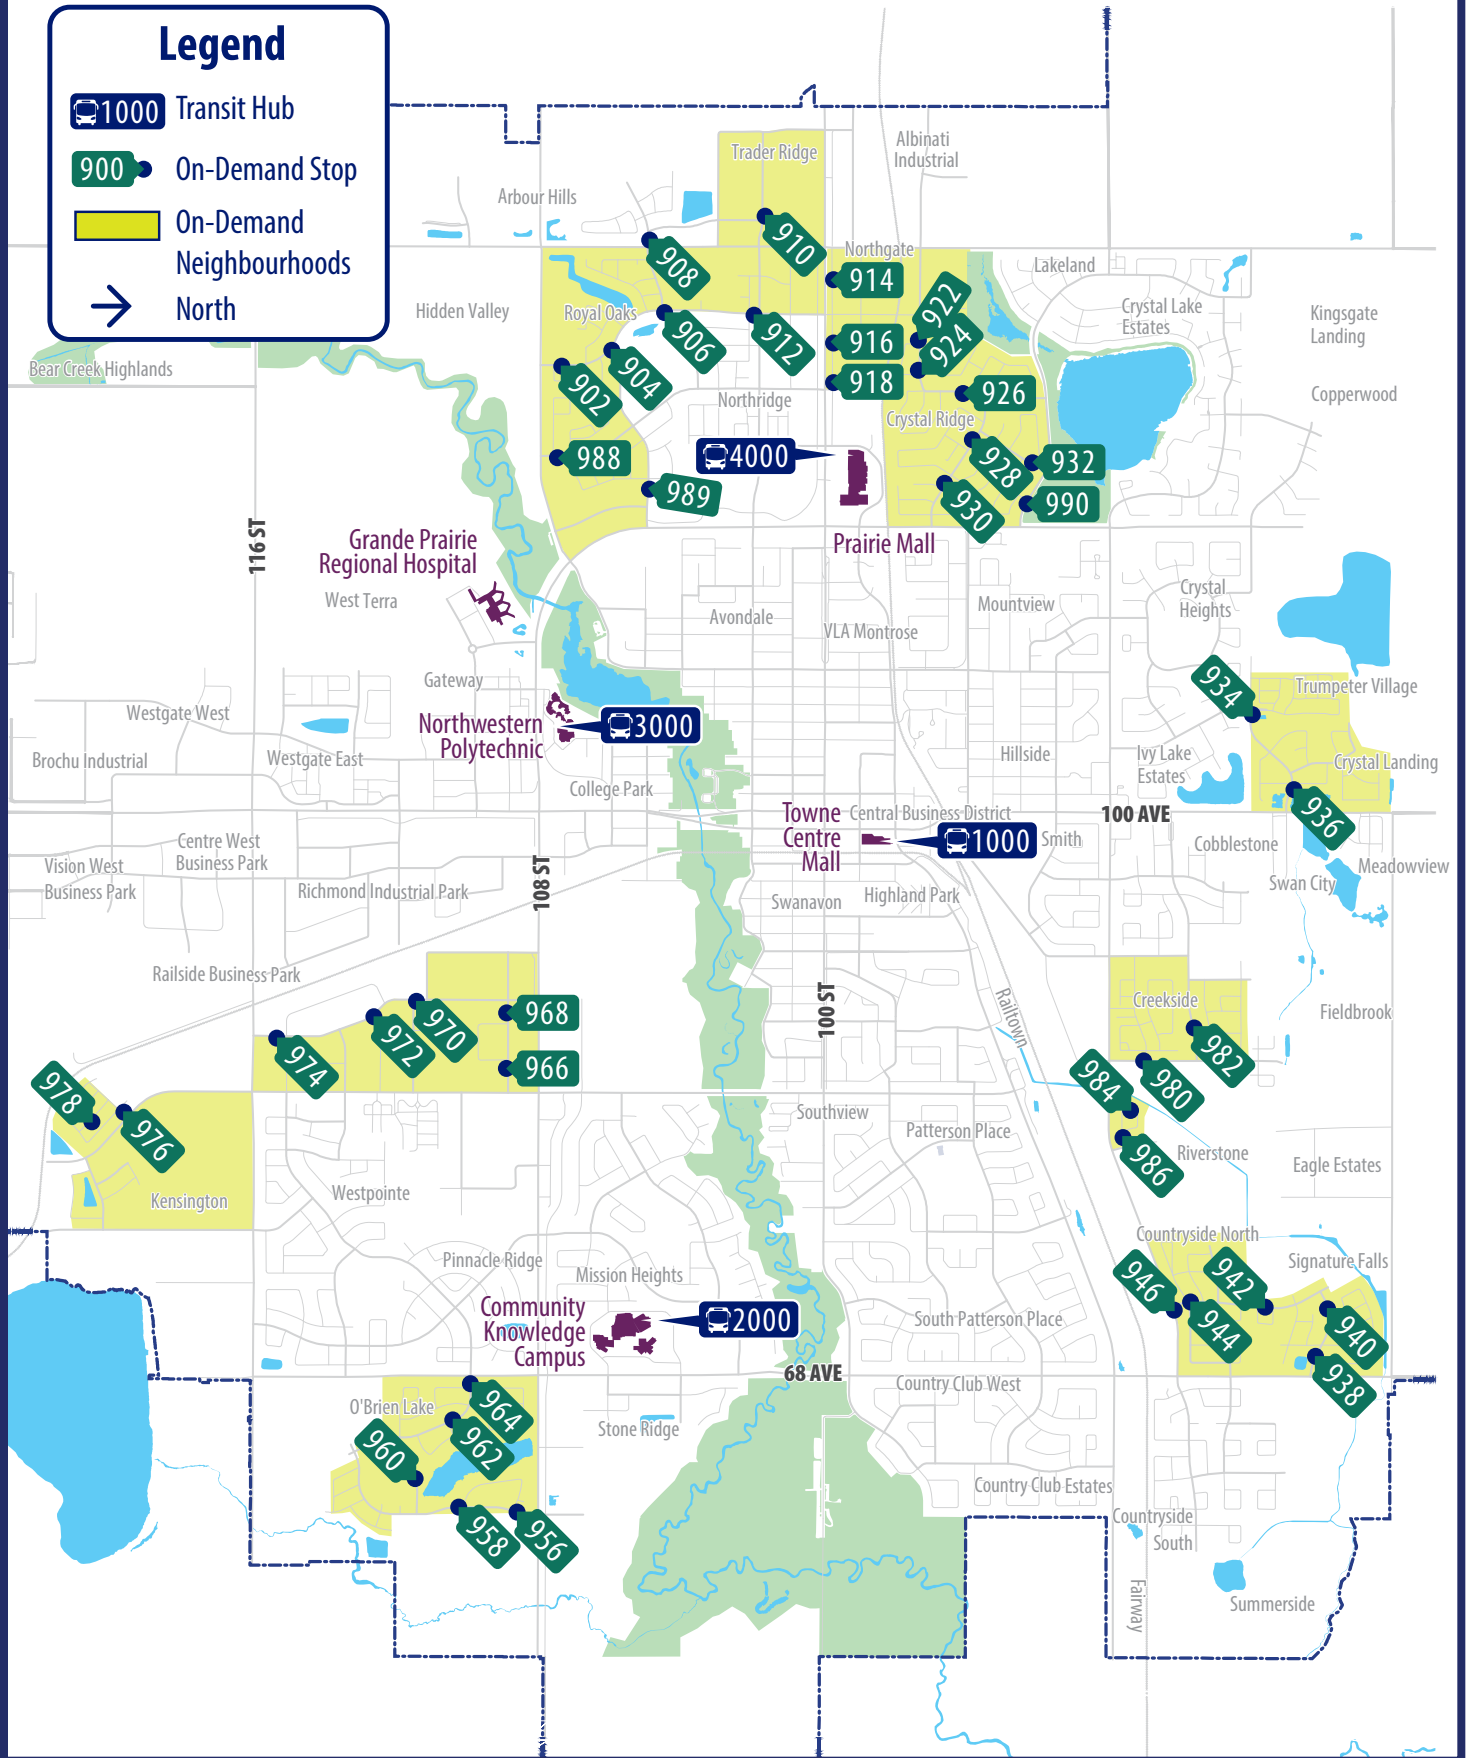

### On Demand buses connect to the following transit hubs:

- Towne Centre Mall
- Eastlink Centre
- Prairie Mall
- Northwestern Polytechnic

# Late Night Service

## Late Night Service

Starting July 29, 2023, Transit is now offering late-night service available on-demand.

**Late night service is available from any transit stop to any other transit stop and is not exclusive to on-demand zones.** Regular bus fare applies.

### Hours

Day	Hours
<b>Monday to Saturday</b>	9 p.m. – 11 p.m.*
* Last booking at 10:15 p.m.	
<b>Sunday</b>	6 p.m. – 8 p.m.**
** Last booking at 7:15 p.m.	

The goal of late night on-demand service is to provide transit service in the most effective and efficient manner by responding directly to ride requests as they come in. It also allows riders to travel more directly, based on their requested bus stops and not along a fixed route.

The expanded hours come as a response to rider feedback for improved service options, so the City can better service its residents and connect the community.

### Booking

Late-night service can be booked by:

- Downloading the **GP My Ride app** (iOS and Android)
- Calling Transit Services at **780-830-RIDE (7433)**.
